Department of the Secretary of State
Ottawa 29th October 1868

Sir,

G710

I am in receipt of your
letter of the 9th Inst. forwarding
a Statement Book of Storekeepers
Claims against Certain Members
of the Six Nations: and I have to
request that, as you are now
in possession of details, you will
use your influence in prevailing
with those Indians so indebted
to make payment as early as
practicable; as such accounts
can only be paid by the individual
Indians who incurred them
and not from the funds of
the whole people who have derived
no benefit therefrom.

I am,
Sir,
Your obedient servant

J. J. Gilkison Esq
Assistant Sup. & Commr
Indian Office, Brandon, M.B.
