Rosemont,  
Nelson, B. C.

Dear Madam

On my return from the West I have  
your letter of October 31st.

It is quite impossible for me to  
be loaning money in British Columbia. Our business  
does not include loaning on real estate anyway, and  
never has covered that.

I regret it is not possible to send  
you a more favourable reply.

Yours very truly,

AM/E.

President.
