Ottawa, 2nd November, 1904.

Sir,-

I beg to direct your attention to official letter of the 5th July last in regard to the Stony Agency cash-book return for March and voucher No. 2815 for general expenses in connection with the cattle industry. The Department pointed out in that letter that if the payment of \$5.00 made to Jas. Jacob for 15 saw logs at 20¢ each was correctly reported you should have forwarded to the Department a refund of \$2.00 from Mr. Jacob. Apparently the matter has been lost sight of as neither a report nor the refund appears to have reached the Department. Kindly give this matter your earliest attention.

Your obedient servant,

Secretary.
