(Incl.) Dear Sir,- Your file 8527

I have your letter of the 23rd instant relative to the appointment of Dr. C. R. Young, R.S., to the position of medical attendant for the Indians of Sucker Creek, Sheguiandah and Whitefish River bands, in which you state that posters have been returned to you by the Indian Agent with no applications, and in which you suggest that Dr. Young be requested to apply for permanent appointment, when the matter will be dealt with by the Commission.

In reply I beg to say that the inclosed "application for registration" has been received from Dr. Young, duly filled in, and I presume it will meet the requirements of the Commission, but should this not be the case I will request him to fill in such further form as may be desired by the Commission.

Yours truly,

Deputy Superintendent General.

The Secretary,
Civil Service Commission,
Ottawa.
