

PREFACE.

THE best preface to this little book may be a brief statement of its argument, that the reader may know what to expect, and so may be able to watch, as chapter follows chapter, whether the different points of the position are proved or not.

That argument may be stated as follows: 1st. That we, as Christ's, have fallen heir to a covenant with God, which gives us legal right before Him to the privileges covered by the three terms of that covenant. 2nd. That the failure to utilize this tremendous fact is the cause of the feebleness and failure of the Church of Christ. 3rd. That the way to actual power and victory in Christian life and service is to apprehend and utilize this covenant.
