

Scotia Freestone, in 1847. Within it will be found the Chambers of the Legislature, the Legislative Library, and many of the Government Offices. The walls of the House of Assembly are adorned with portraits of the speakers and some of the prominent politicians. The Library is well stocked with valuable books, and in the corridor are artistically arranged a superior collection of native birds. From the top of the building a magnificent view of the rivers and surrounding country may be obtained.

#### THE POST OFFICE

Building is situated on Queen Square. The building is a three-story brick structure, faced with mastic, and is a credit to the city. The internal arrangements are good and modern. In another place the reader will find a table giving the time of closing and receiving the mails to and from the principal points.
