The Superior the only stanchion that you can adjust to the from your smallest calf to your largest export steer.

decline was due to the inci was generally expected, as the prices at which we have been operating during the past month have been unheard of for the past month have been unheard of for this period of the season, and it was only a question of time when stocks would be-gin to accumulate and prices, in conse-quence, decline to a lower and safer level. Prices in the country this week ruled from 13 1-8c to 13 3-8c, the average cost being 15 1-4c f.o.b. factories. Even at this price is let fo.b. factories. Even at this price there is a very low demand from the other side, and it is generally expected that a further decline will take place next week. If the British demand, however, should come on again in full force, prices about come on again in full force, prices the standard of the standard for the stand end, and there will be only two sailing from here next week.

raintestence, green or winter, and ze, per foot to above prices. Scroll top walk gates, to match, \$3.00. Drive gates, \$6.50. THE WESTERN FAIR

The prize list contains some very valu information for intending exhibitors.

From the breeder's standpoint this is one of the best exhibitions held, as a large number of buyers always attend in order to secure the best animals that can be obtained. The parade of the live

GREAT HOLSTEINS FOR CANADA

Editor, Farm and Dairy.—It will interest the readers of Farm and Dairy to know that we have recently placed at the head of some of our Canadian herds of Hol-stein Friesian cattle some of the best bred control of the state of the sta the world's seven and Beday record on, she having made 386 lb. butter in seven days, and 156.92 lbs. in 30 days. When we look over the "Blue-Book" and see what the sons of Poutlac Korndyke are doing as sires we cannot help but congratulate the Messrs. Taylor on the accutistion of such a splendid bred young bull to place such as plendid bred young bull to place and their already moted herd. Another world will be a seen as a splendid by the seed of our Sir Johanna Colamba Gladi. a voune hull we are now using, whose days young hull we are now using, whose days of our fiir Johanna Colantha Gladi. a young bull we are now using, whose dam and sire's dam average 354 lbs. in 7 days, he being a soon of Colantha Johanna Iad, out of Pontine Glodi, the very best daughter of Hengerveld DeKol, she having made over 32 lbs. of butter in 7 days ing made over 32 lbs. of butter in 7 days ing made over 32 lbs. of butter in 5 days ing made over 32 lbs. of butter in 5 days ing made over 32 lbs. of butter in 7 days ing made over 32 lbs. of butter in 5 days in 5 days

across the border, and they all deserve mentioning, and with your permission I will write you more fully a little later, giving description of several others that have gone into Ontario within the last 30 days.—E. H. Dollar, Heuvelton, N.Y.

THE WESTERN FAIR
The management of the Western Fair,
London, Ontario, sept out last week their
prize list, entry forms and other kind of
advertising matter announcing their coming exhibition in September. The dates
are September 6th to 14th. This is the
coming more and more and it is becoming more and more oppular each year.
The weis list contains exemples.

or ortained. The parade of the live stock daily is something of great interest and attracts large crowds. Stockmen should include this exhibition in their list. Write the secretary, A. M. Hunt, London, for prize lists and all informa-

young bulls we have ever sold, and I be-lieve several of these are worthy of men-tion through the columns of Farm and Dairy so the breeders of Ontario may know where to go right near home to se-cure breeding along the same line that

Mr. G. A. Babcock, of Harrowsmith, Ont., is a daughter of Powties Korndyke, thereby combining in the closest possible degree the blood of the three greatest families of the breed, the Korndykes, the Johannas and the Herewerdel DeKols. The herds in Ontario must receive great benefit from the introduction of each build as these, coming from the greatest families of the breed. I have sent several other good bulls across the border, and they all deserve
