BRAZILIAN TRACTION.

Brazilian Traction has declared its regular quarters operate in the neighborhood of Thann, is she of the best known and most efficient military men in Europe. He was largely responsible for the mobilization of the French forces as he was in charge of the bringing together and equipping of the millions of men which France now has on the firing line. His mark-ed success in turning back Von Kluck from the very gates of Paris showed him to be a master of strategy At that time Gallieni commandeered every motor in Paris and Northern France and used them to transport at a suitable moment 75,000 trained, unwearied French soldiers which he hurled against the right flank of Von Kluck's exhausted army with the result General Gallieni has been a soldier since a mere lad and has the enviable distinction of commanding a division at an age younger than any other officer since Napoleon.

C. R. Hosmer, who has been elected president of Canadian Cottons Limited in succession to the late Mr. David Morrice, is one of the best known financial men in the country, being a director of over a so of financial and industrial concerns. He was born at Coteau Landing, P.Q., in 1851, and commenced his business career with the Grand Trunk Railway Telegraph Company. Later he joined the Dominion Telegraph Company, of which he became superintendent He was later manager and president of the Canadian Mutual Telegraph Company and finally head of the C.P.R. Telegraph System. He is now a director of the C. P. R., the Bank of Montreal, the Royal Trust Company, Dominion Textile Company, Sun Life Assurance Company, Laurentide Limited and president of the Ogilvie Flour Mills Company, Edwardsburg Starch Company, and many other companies. Despite his many business connections, he has always time to see his friends and is one of the best liked men
