Bigger Profits

Your Cheese and Butter making will pay you bigger profits if you use WINDSOR SALT—pure, soluble, even crystals. Economical to use.

THE Windsor Salt Co., Limited.
WINDSOR, - ONT.

Cheese and Butter.

Makers of these articles, in many instances, do not pay the necessary attention to the quality of the Salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest Salt should be used. The number of prizes obtained by users of—

COLEMAN'S OR RICE'S Dairy Salt

at the various exhibitions is conclusive proof that these brands of Salt stand unrivalled.
