# THE STRONG MAN WINS

Every day we have evidence that the weakling has no place in the busy, hunderd life of to-day. It takes nerve and strength to go up against the obstacles we are now forced to encounter, and this the weakling lacks. Look about you and see the successful man of to-day; it matters not whether he be a Merchant, Lawyer or Laborer—with head erect, eye clear, strength in his every movement, he is ready to tackle any problem with that enthusiasm which assures success.

I can make just such men of weaklings, I care not how long they have been so, nor what has failed to cure them. Let them wear my

## Dr. McLaughlin's Electric Belt

every night as I direct, and in place of a weak-nerved, debilitated being, I will show you a strong man—full of vigorous life, with nerves like steel and ready to look any man in the face and feel that he is equal to the best of them and can do what they can do.

You will say this is promising a great deal. I know it, and can show you evidence that I have done it for thousands of weak men, and every one of them has spent from \$50 to \$500 on drugs before he came to me as a last resort. Are you weak or in pain? Are you nervous or sleepless? Have you Rheumatism, Weak Back, Kidney Trouble, Weak Stomach, Indigestion or Constipation? Are you lacking in vitality? I can give you the blessing of health and strength. I can fill your body with vigor and make you feel as you did in your youth. My Electric Belt is worn while you sleep. It gives a soothing, genial warmth into the body. This is life—vigor.

The men who had given up hope, who thought there was no cure for them, until they came upon Dr. McLaughlin's Electric Belt. Now they are full of life and overflowing with joyous spirits. Pains are gone, weakness has gone, and full vigor is in every action.

Do you want to feel like that? Then wear the grand, life-giving appliance for two months at night. It will charge every nerve with electric life, and you will feel rejuvenated and invigorated. It puts steam into your run-down body, drives away pain, and renews youth.

What's the use of dragging your legs about like a wooden man? Feel like a man of spirit. Away with the pains and aches; off with this wretched feeling as if you were seventy years old and had one foot in the grave. Come and let me put life into your nerves; let me give you a new supply of youthful energy. Let me make you feel like throwing your chest out, and your head up, and saying to yourself, 'I'M A MAN!' Let me give you back that old feeling of youthful fire, vim and courage. I can do it, so that in two months you will wonder that you ever felt so slow and poky as you do now. Act to-day. Life is sweet, so enjoy every minute.

Vermilion Bay, Ont., Oct. 18, 1907.

Dr. McLaughlin:  
Dear Sir,—I have just received your letter, and was pleased to hear from you and to know that you are still improving your Belts. I thought they were perfect, as they have done so much for me. I have worn the Belt for three months, and can say that I am a new man. You may use my name if you wish, and I will tell anyone the great good the Belt has done for me.  
Yours very truly,  
THOMAS KIRCHEM.

St. Catharines, Ont., Oct. 21, 1907.

Dr. McLaughlin:  
Dear Sir,—Before buying your Belt I had Sciatica so bad that I was unable to walk across the floor. Being persuaded by my family to try one, although I had no faith in it myself, I consented to get one, more to stop them from bothering me, as I had given up all hope of ever being able to walk again. After using the Belt one hour I was able to walk across the room, and in three days I could walk outdoors. Now, I claim I am soundly cured, giving Dr. McLaughlin's Belt all the credit.  
Yours truly,  
CHAS. HOBBS, P. O. Box 425.

The life of the nerves is electricity. If they are weak it is because they lack electricity. Electricity is the nourishment which the stomach generates for the support of the nerves and organs, and when it is unable to generate this force it must have artificial aid. This is electricity—artificial electricity as applied by Dr. McLaughlin's Electric Belt.

My method of curing disease is to go down to the very foundation of the trouble and remove the cause. When I have removed the cause, Nature will do the rest. If your nerves are weak, I restore to the stomach the power it has lost, which, in turn, gives the necessary strength to the nerves. Electricity is a relief from the old system of drugging. It does by natural means what you expect drugs to do by unnatural means. It is nature's way of curing disease, for it gives back to the nerves and organs the power they have lost, which is their life.

My Belt is easily and comfortably worn next to the body during the night, and gives out a continuous stream of that strength-building, nerve-feeding force which is the basis of all health.

If you haven't confidence in electricity, let me treat you at my risk. I will give you the Belt on trial, without one cent of risk to yourself. Give reasonable security, and I will take your case, and you can
