

The Berliner Gram-o-phone.

Enjoy the Entertainment Furnished by the
**BERLINER
GRAM-O-PHONE**

**FOR HOME ENJOYMENT YOU CANNOT POSSIBLY
CONCEIVE ITS WONDERFUL POWER.**

No instrument or invention of modern times has ever attempted to rival the Berliner Gram-o-phone. It reproduces faithfully the most delicate strains of music, whether it be a solo or full band or orchestral accompaniment; in reproducing songs, one almost imagines the individual presence of the performer.

AS AN EDUCATOR The Berliner Gram-o-phone stands without a peer—it enables every family to listen to and cultivate a taste for the masterpieces of music, in every instance produced specially for the Berliner Gram-o-phone by the leading artists in the musical world.

SUPERIOR TO A PIANO. No one will deny that it is far more pleasure to listen to the perfect strains of a Berliner Gram-o-phone than a piano manipulated by the average performer. Then again, figure the cost of a Berliner Gram-o-phone, almost nominal, and from an entertainment point of view, the superiority of the Berliner Gram-o-phone—universally conceded.

HOW TO GET ONE! READ THE FOLLOWING:
