The

Climax

Grain

Guard

Heavy winds, hail and rain storms spread havoc upon the ripening and top-heavy grain about harvest time, and no one knows better than the farmer how to value a device like the Grain Guard, by the aid of which he can save and harvest all his grain, including that which is lodged. These come in sets of five, all we require to know being the name of the binder to which they are to be attached.

Regular price, \$10.00 per complete set. During July, 8.00 cash with order.

We feel sure it will amply repay you to keep a set on hand in case of an emergency, as during harvest, stocks, not only at Winnipeg, but also at the factory, will have become exhausted. We shall deeply appreciate your order now.
