

NEWS FROM IRELAND.

Dublin.

A victory of no small importance has been gained in the Whitechurch Division of the South Dublin Union. This division has been represented by two Tories for over a quarter of a century. Both have been ousted at the elections which have just taken place, and they are supplanted by two Nationalists.

The Archbishop of Dublin, in a letter according to Canon Monahan, of Nottingham, the necessary authorization to make a collection in the archdiocese, along with a donation of £10, says:—"It is enough for me to say that if you were not an Irish priest, and if your Bishop were not an outcasted advocate as he is known to be of the cause of constitutional freedom in Ireland, it would not have been necessary for you to make this appeal to Irish Catholics at home to help you in clearing off your heavy load of parochial debt."

As an evidence of the feelings of indignation with which the Coercion proposals of the Tory Government have been received, we learn that the Committee of the Protestant Home Rule Association, largely in defence to the representations received from its country adherents, are making arrangements for the holding of a mass meeting in the Round Room, Rotunda, when deputations will attend from many districts, to protest against the unwarrantable character of the Bill.

A Protestant clergyman, the Rev. Mr. Sandys, formerly of Donnybrook, was dismissed by his rector, Rev. Canon Ryder, because of his Home Rule principles. It is now understood he now holds an appointment in Liverpool. Mr. Gladstone wrote expressing his regret that he contributed to any fund that might be set on foot for the benefit of Mr. Sandys after his dismissal.

Kilkenny.

On March 10th, after attending Mass at the Franciscan Convent, Watkin street, Kilkenny, twenty-eight young men, and twenty-six young ladies from Kilkenny city and county, left that city, in charge of the Rev. R. Mathew, for the purpose of joining the Order of the Holy Cross, at the University, Notre Dame, Indiana.

We learn from the *Monthly Record*, Pietermaritzburg, South Africa, of the ordination of the Rev. Francis H. Howlett, O. M. I., Father Howlett is son of the late Mr. James E. Howlett, J. P., New Ross, and grandson of the late Mr. Harvey Devereux, Patrick street, Kilkenny. Father Howlett resided for many years in Kilkenny.

Kildare.

On March 27th, a large and enthusiastic meeting of the parishioners of Aith, was held in the Market Square, in aid of the Landowners and Eviction Fund. The meeting was originally fixed to be held in the Town Hall, but the police, who have had possession of the hall since the evictions commenced, not having left it, a platform was erected in the public square, around which about a thousand people assembled. The chair was occupied by the Rev. J. Staples, C. C., Mr. Timmins, T. C., proposed a resolution expressing satisfaction at the spirit displayed in Aith and the neighboring towns in the movement on behalf of the tenants. Mr. T. Byrne, O. T. C., seconded the motion, which was passed by acclamation. Mr. Minch, T. C., P. L. C., treasurer of the fund, then announced that at a hastily summoned meeting, a sum of over £200 had been subscribed, and he was prepared to receive any further subscriptions. A sum of about £70 was then handed in, in addition to the £200 already received.

King's County.

Dr. H. M. Clarke, of Philipstown, King's County, has been elected to the Commission of the Peace by the Lord Chancellor, it is stated, because of his having identified himself with the Protestant Home Rule Association and the National League. About twelve months ago Dr. Clarke organized a large and representative branch of the Protestant Home Rule Association for the King's County, of which he was unanimously elected president, and he still retains the office.

Cork.

Mr. Robert Hedges Eyre White, of Glengarriff Castle, recently figured in the Record County of that county as a typical representative of the virtuous class of the Irish landlords, who are so pitifully affected by the prevailing dishonesty. Mr. White was charged with fraudulently obtaining from a tenant, named Sweeney, the sum of £23 2s. 1d., to which he had no claim whatever. The tenant was a simple, innocent man who allowed his account to be made out for him by Mr. White, who manipulated it so as to obtain from the confiding Sweeney a large sum over and above the rent due. The case was tried before Judge Johnson and a special jury, on which were several Protestants.

A large meeting of the townspeople was held in the Mall Rooms, Youghal, on Sunday, March 27th, for the purpose of furthering the fund for the relief of the aged mother of Patrick Hanlon. Several speeches were delivered, and a committee was appointed to receive subscriptions. A sum of £40 was subscribed on the spot.

On March 31st, a large number of men with horses and farming implements assembled on the farm of Mr. Maurice Burke, about three miles from Killyvullen, and turned a great portion of the land up and prepared it for tillage. The landlord is Captain Gray, and the tenant has adopted the "Plan of Campaign," having been refused a reasonable abatement.

Limerick.

Patrick Coffey the Emergency man, who was in charge of the evicted farm in Loughlin, from which Mr. R. Taylor and his family were evicted some time since by Mr. McNamara, Limerick, remains now derelict, as Coffey has decamped for Australia, after having played a successful trick on the Government by purchasing the farm under Lord Ashbourne's Act, and handed over the proceeds to Mr. McNamara. Mr. McNamara created Coffey a tenant, and with the result that he got practically out of the difficulty of obtaining anything for his land. The

League branches strongly condemned McNamara's action, and the matter has excited a great deal of public excitement for some time past. A convention of League delegates was held at Loughlin, for the purpose of endeavoring to bring about an amicable arrangement, but McNamara seemed inexorable, and Mr. E. O'Sullivan, an hon. secretary to that body, placed the matter before the League branches, with the result that they can now congratulate themselves with having scored a victory at the expense of the Government of "Law and order." It is also well to remark that Mr. Taylor and his family are Protestants, and never have been prominently identified with the national cause; but, notwithstanding, the Catholic population would not permit an injury to be done them, thus showing that they care little what a man kneels at so long as he is the victim of oppression they will aid him in a righteous cause.

Tipperary.

The authorities have taken prompt steps with regard to the action of Constable Dorney, of Killybeg Station, who threw down his arms, and declared he would never take part in the arrest of Father Matt Ryan. By direction of District Inspector Greene, he has been conveyed by two policemen from Killybeg to the barracks at Ballinacorney, and suspended from duty, pending an investigation. Constable Dorney has eleven years service, and has an excellent record. He is a native of Clonmel, and has served some time in Limerick, whither he was transferred about a year ago. The popular feeling has been so much excited over the attitude assumed by the constable, that bills were posted up in the district, calling upon the people to raise funds, and present him with a substantial testimonial, so that he may be fully indemnified for any loss which he may suffer, especially as it is expected that dismissal will follow the step he has taken. Rumor has it that the constabulary authorities are apprehensive of the effect of the example set by Constable Dorney, and that should there be any symptoms of approval on the part of other members of the force, they will be rigorously suppressed. In the time of Mr. Clifford Lloyd, there was much agitation for the removal of various grievances, and although they were referred to a Special Commission, the men believed to have fomented the threatened strike, were transferred to distant stations at their own expense, in consequence of which they resigned.

Waterford.

The Most Rev. Dr. Power has made the following changes in his diocese: Rev. Maurice Flynn, P. P., Clonaca, to P. P., of Passage; Rev. Richard Phelan, O. C., Passage, to P. P., Clonaca; and Rev. Thomas Furlong, C. C., Dunadee, to C. C., of Passage.

Clare.

The Kilmaduan branch of the National League met, March 20, Rev. B. Scanlon, P. P., in the chair, and declared his hearty approval of the conduct of the Tory Government, in arresting Father Keller, P. P., the patriotic pastor of Youghal, and thereby trying to coerce him to give evidence against his people.

Antrim.

Michael Davitt arrived in Belfast on March 25, for the purpose of fulfilling an engagement to lecture under the auspices of the National League. The subject of Mr. Davitt's lecture was the work of an Irish Parliament. A number of ladies of the Belfast Branch of the National League assembled at the Linen Hall Hotel, with the intention of presenting Mr. Davitt with an address and a gold bouquet. Owing to a bronchial attack Mr. Davitt was unable to accompany her distinguished husband, Mr. Davitt, in the course of the lecture, alluding to the arrests of Father Keller and father Ryan, repeated what he had told a Scotch audience recently, "that he would be delighted to have an imprisoned patriot delivered up every morning in the *Freeman's Journal* for breakfast; that he would like to see the Tory Government commit blunder after blunder, and would not regret if a hundred ministers of religion should find themselves inmates of Kilmashinham, because the Government would thereby be committing political suicide."

Armagh.

The Pope has confirmed the selection of the priests of Armagh for the Primacy of Ireland. The Right Rev. Dr. Logue, Bishop of Raphoe, who was named *paterfamilias* by an immense majority of votes, has been appointed Coadjutor to His Grace Dr. McGillicuddy. Dr. Logue's election will be welcomed by the Catholics of Ireland, as well as of Armagh. He was a distinguished student and professor of Paris and Maynooth. His abilities and attainments are of a high order, and his sympathies are known to be with his people in their struggles and aspirations. The appointment is a complete disproof of the fabrications of the "eminent English Catholics" who recently circulated the rumor that his Holiness Pope Leo was opposed to the attitude assumed by the body of the Irish episcopacy in political affairs lately.

Monaghan.

The Crowbar Brigade has been busy in Ulster. On the Shirley estate a large number of tenants have been evicted, and Mr. W. O'Brien announced on Sunday, March 27th, at a meeting held at Carrickmacross, and presided over by the Rev. Dean Bermingham, P. P., that he planned there, "under the noses of Shirley's evicting army," the banner of the "Plan of Campaign." Mr. O'Brien was unbounded in his praise of the Plan, and he stated with pride, that whilst he had handed back many thousands of pounds to landlords, who had the wisdom to make reasonable settlements, not one sixpence had ever gone into the pockets of the rackrenters who had appealed to the law courts, and not a penny would be paid. The cruelty of the Shirley evictions may be well gauged from the fact that the police made up a subscription on behalf of one of the evicted tenants, and laid it down as a condition, that none of their money should go into the pocket of Mr. Shirley. Mr. William O'Brien, at the same meeting, made some remarks which will have a special interest for Mr. T. W. Russell,

the present Parliamentary representative for South Tyrone. "I call South Tyrone my own constituency still," said Mr. O'Brien, "though, for the moment, I am an evicted tenant, but I am occupying a sentry box at the other side of the ditch, and, please God, like our friends who were evicted within the last week, I will live to go back." This announcement was received with enthusiastic cheers.

Galway.

Rev. Father Verdon (in religion Rev. Father Gregory, of Holy Mary), died on the Feast of the Annunciation, at the Carmelite Convent of St. Teresa, Clarendon street, Dublin.

A large meeting of the members of the Ballinakil Branch, was held on March 27. Sir H. Burke still refuses to leave the settlement with his tenants to the arbitration of his brother and a distinguished Catholic prelate. The members of the Branch, who were in his employment, came forward at the meeting, and declared their determination to cease working for him until he settles with his tenants. In all about forty men have quit work, and there now remain but a few who are daily expected to show the sympathy with the people. Boycotting notices were posted all over the estate, and for several miles around, declaring Maribell boycotted, and calling on all the servants and workmen to resign. The police patrolled the roads collecting them, and guarded the entrance to the chapel, during last Mass, with a view to the prevention of any extra foolish being who would insist on papering it walls with illegal documents.

Mayo.

On March 30, seven families were evicted on the estate of Mrs. Semple, in the townland of Keelogue, a place about five miles distant from Buncrana. During the eviction of one of the tenants, a missile thrown at a bailiff hit a constable named McCooney, inflicting serious injuries. Sub-Inspector Seagrave at once ordered the police to charge the crowd, who numbered several thousands; but through the exertions of Mr. Daly, order was restored, and a collision avoided. The people were subsequently addressed by the Rev. P. McPhilip, O. C. Evictions were also carried out on the estate of Miss Gardiner, who, with Miss Pringle, superintended the operations.

A Word to Catholic Politicians.

"Alas! how few politicians there are who ever approach the tribunal of conscience," said the Rev. Nicholas Ballies, a well-known member of the National League, Church, Putnam avenue, Brooklyn, in a discourse urging his congregation to attend their Easter duties. "How few of these so-called Catholics regard the voices and precepts of the Church. They frequently hold municipal office, and they will go to church sometimes. They call themselves Catholics."

"But no, they will not go to confession. They hold their hands before their eyes, and looking between their fingers, they connive at lying and wrong doing. They will not go to confession because they know very well that they cannot receive absolution unless they confess their sins and make restitution. They must also be sorry for their sins and entertain a firm purpose of amendment. 'No, they don't go to confession, for they know they cannot 'fix it,' so they continue in their sin. It is a terrible thing to tempt the justice and mercy of God, remaining dumb to the voice of the Church."

The Rebellon.

In the North-west has been suppressed and our citizens can now devote reasonable attention to their corns. The only sure, safe, and painless remedy is Putnam's Pain Expeller. It is a powerful remedy for corns, sprains, and is a valuable remedy for the original discomfort. See that you get "Putnam's," and take none other.

Mr. W. E. Calger, Advertising Agent for the Toronto News, says: "I was induced to try Navel Balm for a severe and troublesome Colic in the Head. Once used it literally waded out the clogged secretions, and left my head as clear as a bell."

A Common Occurrence.

Many bad joints, by which people are crippled for life, are made by neglected or badly treated rheumatism. Ida Plank, of Strathroy, Ont., was afflicted with rheumatism in her fingers so that she could not bend them. Yellow Oil cured her and is a prompt cure for all painful complaints.

A lady from Syracuse writes: "For about seven years before taking Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I suffered from a complaint very prevalent with our sex. I was unable to walk any distance or stand on my feet for more than a few minutes at a time without feeling and stating, and I am thankful to say I can walk two miles without feeling the least inconvenience." For Female Complaints it has no equal.

Personal.

George Legault, of Tayside, Ont., says he can heartily recommend Yellow Oil as the best reliever of rheumatic pain, his father and mother having suffered for years with rheumatism and all remedies failed except Yellow Oil.

Worms derange the whole system. Mother Graves' Worm Expeller deranges worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

"I never felt better in my life than I have since taking Burdock Blood Bitters. I have a severe bilious attack; I could not eat for several days, and was unable to work. One bottle cured me." John M. Richards, Sr., Tara, Ont. For all bilious troubles use B. B. B.

For Rough conditions of the Skin, Shampooing the head, Pimples, Eruptions and Skin diseases, use Prof. Low's Sulphur Soap.

NOTICE.

SEALED TENDERS, addressed to the undersigned, and endorsed "Tender for Indian Supplies," will be received at this office up to noon of SATURDAY, 30th April, 1897, for the delivery of Indian Supplies during the fiscal year ending 30th June, 1898, consisting of Flour, Bacon, Groceries, Ammunition, Twine, Oats, Corn, Beans, Agricultural implements, Tools, &c., duty paid, at various points in Manitoba and the North West Territories.

Forms of tender containing full particulars relative to the Supplies required, dates of delivery, &c., may be had by applying to the undersigned, or to the Indian Commissioner at Regina, or to the Indian Office, Winnipeg.

Parties may tender for each description of goods (or for any portion of each description) separately or for all the goods called for in the Schedule, and the Department reserves to itself the right to reject the whole or any part of a tender.

Each tender must be accompanied by an accepted Cheque on a Bank in the North West Territories, for the amount of the tender, or by a contract based on such tender when called upon to do so, or by the full and complete work contracted for. If the tender is not accepted, the cheque will be returned.

Tenders must be made up in the Money columns in the Schedule the total money value of the tender, and the tender must be signed by the tenderer, or by two trustees acceptable to the Department, for the proper performance of the contract.

When implements of a particular make are mentioned it is because the articles so mentioned are of a better quality than those required better than others; in such cases the tenderer must specify the make, of course, he is in the transportation to the place of delivery.

In cases where transportation may be only partial by rail, contractors must make proper arrangements for supplies to be forwarded at once from railway stations to their destination in the Government Warehouses at the place of delivery.

Tenders will please note carefully the following conditions:

1. Supplies will not be paid for until the Department has been advised of the satisfactory completion of the article for which payment is claimed.

2. No tender for supplies of a description different to that given in the Schedule will be considered, and supplies which are found on delivery, to be of a kind or quality different to those specified, will be rejected by the agents of the Department, and the contractor will be held responsible for any loss entailed on the Department through failure to deliver in accordance with the terms of contract.

3. It must be distinctly understood that supplies are to be delivered at the various points for the prices named in the Schedule, and that an invoice must accompany each separate delivery, and that an invoice must be submitted, and an average price for each article at all points of delivery, under the name of a system of averaging will be considered.

4. Tenders should understand that they must bear the cost of delivering supplies to their places to the Department of Indian Affairs but also freight charges incurred in returning such supplies to the tenderer.

5. If supplies are to be delivered "equal to sample," tenderers should understand that the sample is to be seen by the Department, and that the sample, in the case of the Indian Commissioner at Regina, is to be seen by the Indian Commissioner at Regina, or by the Indian Commissioner at Winnipeg, or at any one of the undermentioned Indian Agencies.

6. Tenders should be delivered "equal to sample," tenderers should understand that the sample is to be seen by the Department, and that the sample, in the case of the Indian Commissioner at Regina, is to be seen by the Indian Commissioner at Regina, or by the Indian Commissioner at Winnipeg, or at any one of the undermentioned Indian Agencies.
