STRANGE BUT TRUE.

THE ONLY SURE CURE FOR DROPSY READ THE FOLLOWING Messrs. C. GATES & Do.,

Cotson's Point, Nov. 20, 1881. Gentlemen-I should have written to you before, but neglected to do so. I feel it my duty to send you the following information, from gratitude to you and the benefit of those suffering as I was. About five years ago I was greatly afflicted with Rheumatism and Dropsy; my legs were swollen to an enormons size; I could not even get from my bed without the aid of my wife for several days at a time. I tried all kinds of patent medicines, and a number of bottles of Dr. Thomas' Electric Oil, and also Johnson's Limment, but found myself worse. I applied to several doctors, from whom I received no benefit. In the following summer I went to Halitax, to the Provincial Hospital, and lay under the doctors' treatment for eight weeks. I had my legs tapped twice and blistered several times. I suffered day and night-everything but death I then left that institution and returned home, having received little or no benefit, and expecting ne ver to get any better. I was then advised by a friend to re-ort to your valuable mediane, with a box of Nerve Ointment and Vegetable Plaster. The first few bottles I used I did not feel much better, but when I had taken six bottles the swelling was going down in my legs, and my whole system began to feel better. In all I used but 'welve bottles and I am now enjoying the best of health. I am thankful to God that he made your medicine an instrument in His hands of saving

Yours very truly, W. E. SHAFFER. Sworn to before me, at New Dublin, this 27th day of December, 1881.
