

McLAUGHLIN CARRIAGE COMPANY, LIMITED

No. 273. "Roseland" Trap
(First View)

A beautifully worked out design, giving ample room without making the sleigh heavy. One horse can handle it with ease. Rear seat is reversible (see second view). Front seat in two sections. Mouldings, as shown, are solid. Highest grade workmanship throughout.

Painting—A handsome combination of green, black and carmine.

Trimming—High grade cloth; spring cushions; velvet carpets; driver's box; part brass

finished body rails and line rail; shafts full leathered. Supplied regularly with shifting shafts.

Telegraph Code: - *Abilis*
