TURKISH BLACK SALVE.

UNDER THE PATRONAGE OF THE HONORABLE THE EAST INDIA COMPANY.

THIS SALVE, prepared from the original Receipt, procured from a celebrated Turkish Hakim, (physician) of Smyrna, in Asia Minor, and which has obtained an unprecedental celebrity in Great Britain and the East Indies, from the astonishing Cures performed by it in both these countries, has lately been introduced into Montreal. As might be expected, its popularity had followed it, and its use is becoming general among all classes. The contracted limits of an advertisement necessarily precludes entering into any adequate detail of its merits, but, for the information of the public, it is intended to publish, from time to time, such statements of cures as have or may occur. It has been used for the following complaints with the most complete success:—Such as Swollen Glands, Broken Breasts, White Swellings, Whitlows, Scalds from Steamboat explosions, or other causes, Burns, Fever Sores, Scrofulous Sores, Sore Nipples, Carbuncles, Scald Head, Gun-shot Wounds, Bruises, Boils, Scorbutic, Worms, Chilblains, Ulcerated and Common Sore Throats, and Bunions. If used in time, it will prevent or cure Cancers, also, Swellings arising from a blow on the Breast, Ring Worm, Pains in the Back, Rheumatism, Gout, Pains in the Chest, Palpitation of the Heart, Complaints in the Liver, Spine, Heart or Hip, Rushing of Blood to the Head, Swelled Face and Toothache. In fact, it is impossible to enumerate half the complaints that have been cured by the application of this Salve.

Sold in Montreal by S. J. LYMAN & Co., Place d'Armes; SAVAGE & Co., Notre Dame Street; URQUHART & Co., Great St. James Street; WILLIAM LYMAN & Co., St. Paul Street, and in all the principal Cities in Canada.

MOFFAT'S
Life Pills and Phenix Bitters.

These Medicines have now been before the public for a period of FIFTEEN YEARS, and during that time have received a high character for the great virtues of their restoring, perfect purifying, and safe aperient qualities, in nearly every kind of disease to which the human frame is liable.

THOUSANDS

of persons have been rescued from the very verge of the grave, and restored to perfect health by a few doses of these Pills and Bitters, when all other means had failed. Many have been afflicted with the horrible and painful privation of hearing, others with sight, and others with their customary use of limbs. It was to their wonderful and searching action in purifying the springs and channels of life, and restoring them with renewed tone and vigor, that they were indebted for their cure.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science, and were never before administered in combination.

Fevers of all kinds, by restoring the blood to a regular circulation, through the process of perspiration in such cases, and the thorough solution of all interior obstruction in others.

The LIFE MEDICINES have been known to cure RHEUMATISM, permanently, in three weeks; and GOUT in half that time, by removing local inflammation from the muscles and ligaments of the joints.

Dropsies of all kinds, by freeing and strengthening the kidneys and bladder, they operate most delightfully on those important organs, and hence have ever been found a certain remedy for the worst cases of GRAVEL.

Also Worms, by dislodging from the turnings of the bowels the slimy matter to which these creatures adhere.

Consumption, by relieving the lungs from the mucous which oppresses and, which, if not removed, destroys them; and to which these LIFE MEDICINES are a perfect antidote.

Other medicines act upon the blood, and all the humors.

Bad Complexions

owe their origin to the impure and morbid state of which occasions pimples, sallow, cloudy, and discolored appearance.

Pills for a very short time will effect an entire cure of SALT RHEUM, and a striking improvement in the clearness of the skin.

COMMON COLDS and INFLUENZA will always be cured by, at most, two or three doses, as they are in the worst cases.

PILES

are speedily cured by this most thorough and obstinate malady, the

VEGETABLE LIFE MEDICINES

are the best known remedy in existence for this distressing complaint.

VEGETABLE LIFE MEDICINES

is to cleanse the kidneys and the bladder of all the means, the liver and lungs, the healthful action of which entirely depends upon the regularity of the urinary organs. The blood, which takes its red color from the agency of the liver and lungs, before it passes into the heart, being thus purified by them, and nourished by food coming from a clean stomach, courses freely through the veins, supports every part of the system, and triumphantly mounts the banner of health in the blooming cheek.

The following are among the distressing variety of human diseases in which the VEGETABLE LIFE MEDICINES are well known to be infallible:

DYSPEPSIA, by thoroughly cleansing the first and second stomaches, and creating a flow of pure

Appetite, Heartburn,
Ill-temper, Anxiety,

which are the general

Directions

connected with the beautifully philosophical principles upon which these cures are effected, and upon which their customary use is based, will be found minute and sensible serving to purifying the springs and channels of life, accompanied them with renewed tone and vigor, that they were indebted for their cure.

Unlike the host of pernicious quackeries which boast of vegetable ingredients, the LIFE MEDICINES are purely and solely vegetable; and contain neither Mercury, nor Antimony, nor Arsenic, nor any other mineral, in any form whatever. They are entirely composed of extracts from rare and powerful plants, the virtues of which, though long known to several Indian tribes, and recently to some eminent pharmaceutical chemists, are altogether unknown to the ignorant pretenders to medical science, and were never before administered in combination.

MERCURIAL DISEASES.

Persons whose constitutions have been ruined, destroyed by the injudicious use of Mercury, may be restored to perfect health by the use of these Medicines a perfect cure, as they never fail to eradicate from the system the most inveterate Mercury infinitely sooner than the most powerful preparations of Sarsaparilla. It ought to be in every place than the vaults and tombs, it matters and allays irritation, and is the best estimation of every person who has used it.

BE CAREFUL TO COUNTERFEITS!

Several have lately been spread, both in the City of Montreal and country, by evil-disposed persons, who have copied the Labels of the Genuine Medicines, and have sold them to unsuspecting persons, who have been deceived by the similarity of the Labels. The Genuine Medicines are sold by the Proprietor, Dr. MOFFAT, 335 Broadway, New York, and by his Agents throughout the United States and Canada. Each Box of Pills and Bottle of Bitters has the name of the Proprietor, Dr. MOFFAT, 335 Broadway, New York, blown in the glass. Each Box of Pills has a Steel Plate Engraving of the Proprietor, Dr. MOFFAT, 335 Broadway, New York, on the Label. PROSPECTUS
OF THE
CANADA DIRECTORY.

THE Subscriber proposes to publish, by Subscription, so as to be ready for delivery in the Fall of 1851, or earlier, if possible,

A DIRECTORY OF CANADA,

CONTAINING THE
NAMES OF BUSINESS AND PROFESSIONAL MEN
IN THE
PRINCIPAL CITIES, TOWNS AND VILLAGES OF CANADA,
ARRANGED
1st, ALPHABETICALLY BY CITIES, TOWNS, AND VILLAGES,
AND
2nd, ALPHABETICALLY BY BUSINESS AND PROFESSIONS IN EACH.
When the place is so large as to make the latter arrangement desirable.

A short description of each Town or Village will also be given, with its distance from the City with which it is most centrally connected, and the Steamboat or Stage line usually charged to reach it, together with such other information relative to the place as may be useful or interesting to the Public.

The Work will be got up in ONE LARGE OCTAVO VOLUME, PRINTED WELL, UPON GOOD PAPER, and BOUND SUBSTANTIALLY, and will be delivered to Subscribers at 15s. per copy.

As the expenses incurred in travelling and otherwise, to collect information for the Work, will be necessarily great, the following terms have been decided on:—

For inserting the Name and Business in small type.....	No Charge
For inserting the Name and Business in large type, not exceeding two lines.....	1s. 3d.
For inserting the Name and Business in large type, not exceeding four lines.....	2s. 6d.

These rates to be paid at the time the information is received from the parties; but, as an encouragement to subscribe for the Work, it has been resolved, that every person ordering a copy, and paying 2s. 6d. at the time of so doing, will be entitled to have FOUR LINES inserted WITHOUT CHARGE, receiving credit for the 2s. 6d. so paid, when the book is delivered.

ADVERTISEMENTS

Will be inserted at the rate of 20s. per Page, when one Page or more is taken, and at the rate of 30s. per Page, when less than one Page is taken.

As the edition of the CANADA BUSINESS DIRECTORY will be a large one, and will circulate extensively, not only in the Province, but in the Commercial Cities of Great Britain and the United States, it will be a most eligible medium of advertising.

Persons in business in the Country and the smaller Towns will find that the appearance of their names in the *Canada Business Directory* will be of great advantage to them, as in many instances Merchants doing business in the large cities on matters of importance, but from the absence of a Work such as the one projected, they are unable to do so, whilst its appearance will at once obviate that difficulty.

It would be almost superfluous to point out the many facilities which such a Work will afford to Merchants in the Cities and Towns, for extending their business connections, and as care will be taken that Copies shall be placed in the Merchants' Exchanges and Reading Rooms of the principal Commercial Cities of Great Britain and the United States, it will be for them, also, the very best channel of publicity which has ever been offered in Canada.

The Work is intended to appear in the Fall of 1851 or earlier if possible, and as a guarantee that it will be faithfully carried out, it is, perhaps, sufficient to say, that the information will be collected by the Subscriber, personally, in the principal Cities and Towns, and that it will be printed and published by John Lovell, of Montreal.

Gentlemen desirous of subscribing to, or advertising in, the Work, are respectfully requested to address, post paid,

ROBERT W. S. MACKAY,
At John Lovell's, St. Nicholas Street.

THIS INSTITUTION offers to the Assured very many advantages, at quite as low a rate of Premium as guarantees *safety* to the Office.

Policies will hereafter be issued—the Assured entitled, whether at the payment of his first Premium, or at *any future* period, to borrow, upon interest, to the extent of *one-half* of the Annual Payments made, without any responsibility or guarantee, personal or otherwise, other than with the Policy (the only security) be required to be lodged with the Society, as such Loan will be endorsed thereon.

Under this new system, the value of each Policy will at all times be known, and the great objection to Life Assurance entirely removed, as the Assured can at *any time present his Policy, and demand of the Society an immediate payment of one-half of the Annual Premiums paid thereon,* thus giving to each Policy a known actual cash value.

Existing Policies will continue upon the former system, or may be converted into one of the new form.

As the Policies received from London are signed in Montreal, under special Power of Attorney from three of the Court of Directors in London, to the Local Board in this City, there is no *Stamp Duty.*

Applicants are not charged for the Medical examination.

The Assured has the right of paying his Premium within *Thirty Days* after it falls due, thereby preventing the forfeiture of his Policy, which would otherwise frequently occur.
