BRITISH ADVANCE WAS OVER 2

Prisoners Taken No. Over 5400--50 Made and Other Supplies Two Villages and Lines

London, Sep. 18.—The British in the further attacks on Saturday enlarged the ground gained in Friday's great drive. They captured 51 officers and 1,700 men in straightening out their lines. The number of prisoners taken indicates that the progress made in the course of the "nibbling process" is important. Altogether the British captured in two days' fighting over 4000 men and 116 officers, six guns, fifty machine guns and much material. The German war office on Saturday afternoon admitted the loss to the British of the villages of Courcellette, Martinpuich and Fiers.

Two-mile Gain at Points

The total advance made by the British in the two days' fighting, according to Sir Douglas Haig's night report is from one to two miles deep and extends over a front of six miles. The British on Saturday night made a further extension of their gains near Courcellette on a front of 1,000 yards, pushing their lines northeastward against Bayonnaire. At the same time they captured the formidable German "Danube trench" on a front of about a mile, near Thieval, and the powerful field work near the Mouquet Farm, bitterly contested for many weeks. To-day Sir Douglas Haig's troops repulsed a series of strong German counter-attacks and consolidated yesterday's gains. They took 249 prisoners, including six officers.

During the fighting a brigade of

GREEK MINISTRY IS RESPONSIBLE

Premier Kalageropoulos and Cabinet Accept Demands

Athens, Sep. 17, via London, Sep. 18.—Premier Kalageropoulos announced to-day that the new ministry had assumed full responsibility before the country for its acts. The cabinet evidently accepts the note presented by the Entente powers last June in the same spirit as the previous cabinet.

The note referred to said that the Entente powers did not require Greece to abandon neutrality, but demanded demobilization of the Greek army, the formation of a non-political government and the holding of general elections after demobilization had restored the electoral body to normal conditions.

BRITISH AIR RAID.
By Courier Leased Wire.
London, Sept. 18, noon—A raid by British naval aeroplanes on German aerodromes at St. Denis and Westrehem is reported in an official statement issued by the War Office. The statement says: "Yesterday afternoon a squadron of our aeroplanes carried out a further attack on enemy aerodromes at St. Denis and Westrehem. A large number of bombs were dropped with successful results. One of our machines was obliged to make a forced landing in Holland and the pilot has been interned."

STEAMER AFIRE

By Courier Leased Wire.
Cape Town, South Africa, Sep. 18.—The British steamer Benda, at this port from Montreal, has a fire in No. 2 hold, which has been burning for over a week. It is feared that the cargo is seriously damaged.
