DISTRICT MITCHELL'S BAY.

Great preparation is being made by the members of the Methodist church here to celebrate May 24th in Allen's grove. The brass band has re-organized and will furnish music for May 24th. Fishing is splendid in the Bay this season; better than it has been for years. The boatmen are making preparations to accommodate the people from Chatham, Dresden, and other places who intend spending the holiday at Mitchell's Bay.

NORTH ORFORD.

The school has been closed for a week, as our teacher, Miss Causgrove, was taken ill with diphtheria. Mr. and Mrs. D. Walker, of Dante, were the guests of Mr. and Mrs. E. L. Moore on Saturday last. Fishing is the order of the day. J. Hetherington is improving the looks of his farm by putting up a new wire fence. A number of the farmers are plowing up their hay fields on account of it being heaved out so badly. Maribell Hogg, of Turin, was the guest of Louis Hetherington and Edna McPherson last week.

Not a drop of Alcohol

Doctors prescribe very little, if any, alcohol these days. They prefer strong tonics and alteratives. This is all in keeping with modern medical science. It explains why Ayer's Sarsaparilla is now made entirely free from alcohol. Ask your doctor. We have no secrets! We publish C. C. Ayer Co. the formulae of all our preparations. Lowell, Mass.

JEANNETTE'S CREEK.

Miss Burns, of Chatham, spent last week here the guest of Miss Rachel Atkinson. Several visitors are expected here for the 24th. Mr. and Mrs. Manley Smith and children, of Detroit; Mr. C. Almon and daughter Helen, of Hamilton, will be the guests of Mr. and Mrs. Ed. L. Smith. Misses Annie Wemp, May Milner and Beulah Colby, of Chatham, will be the guests of the Misses Kontze. Mr. D. R. Farquharson and Miss M. Farquharson, of Chatham, were the guests of Mr. and Mrs. Forbes on Sunday. Mr. Boyce will spend the 24th at his home in Kippoon. Peach and plum trees are well covered with blossoms. Mr. Leclaire has moved into the small house on the island at Champagne bridge.

CLEARVILLE.

Mr. Marr and Mr. George Jones, of West Lorne, spent Sunday here. Freeman Smith, of Slatkown, called on friends in the village Sunday last. Winet Wood, of Morpeth, was the guest of his parents last week. John Loucks and Martin Luther, of Howard, spent Sunday at Clearville. We have now a football team in Clearville, known as "The all around eleven." They expect to challenge Palmyra in the near future. John Hall and son Earl, who have been visiting in Morpeth for the past week, returned home on Sunday. Mrs. Robert Woods is visiting at Duart. Much tongue and much judgment seldom go together. Geo. Stephens, D. H. Douglas. Phone No. 6.

Just Figure out the Cost

What's the use of putting up a barn that will last only ten or twenty years, when for the same money, or even less, you can build one that is good for a generation at least, and is lightning-proof, fire-proof and water-proof?

Use "Acorn Quality" Corrugated Galvanized Sheets

and both price and quality will be right. They will cost no more than an all-wood building. The process of corrugating, renders the sheets so rigid that a lighter frame may be used, than with any other structure. Sheeting boards are quite unnecessary and only wood strips are required. Then, the cost for labor in applying Corrugated Sheets is, by actual test, less than half what it would be for wood, sheeting boards, and lighter frame-work, more than makes up the difference in cost between present day wooden shingles and our "Acorn Quality" Corrugated Galvanized Sheets. Our lightning proof barns are in almost every locality in Canada. We will mail you, on request, a list of users in your own county. Get their opinion.

DAWN MILLS.

Miss Prangley, of Shetland, has been visiting her sister, Mrs. John A. Boyle. Mr. and Mrs. Will Reid, visited at Willard Oliver's on Sunday. Mr. and Mrs. John Holmes visited their son Walker on Sunday. The farmers have finished seeding, but the grain comes up very slow and uneven. We have known Mr. T. M. Syer, of Thamesville, for many years, and have great respect for his judgment, but he surely makes a mistake when in his letter to Mr. N. H. Stevens he says that the fall wheat will be seven-eighths of a crop; we could have shown him fields before they were ploughed up that were seven-eighths killed, and that on some of the best cultivated farms in this country.

We were sorry to hear of the severe illness of Isaac Hawkins in Winnipeg. Mr. Hawkins is well known in this vicinity and his friends hope that his recovery will be speedy. Willard Oliver has finished the season's sawing and is leaving for the West in a short time. Mrs. Taylor, of Merlin, is visiting at Thomas Elgie's. The pastor, Mr. Edmonds, preached to a fair sized congregation Sunday evening. Mr. and Mrs. W. H. Traxler were Chatham visitors on Saturday. James Elgie is having his store painted, which improves its appearance. Atip to a talkative barber seldom acts as hush money. Hope is a waking dream.

ASK FOR Labatt's (LONDON) India Pale Ale

Brewed from selected hops, choice barley malt and pure spring water, with the utmost care. Bottled at the brewery depots to ensure proper handling. That is why Labatt's Ale is equal to the finest, surpassed by none, though it costs consumers only about half as much as imported goods.

INTERNATIONAL S. S. LESSON FOR TO-MORROW.

(By Dr. R. A. Torrey.) Childhood and Education of Moses, Ex. 2, 1-15. Read the chapter.

Golden Text—Moses was learned in all the wisdom of the Egyptians, and was mighty in words and in deeds.—Acts 7, 23.

Pharaoh's cruel edict that every male child born of the Hebrews should be killed—somewhat as Herod murdered the babes of Bethlehem, both Satanic suggestions, seemed a wise way to lessen their numbers and secure them in slavery; but by the overruling hand of God it brought their deliverer into Pharaoh's palace, where he was trained at the tyrant's expense for future service for Israel. Moses' parents, through their faith in God, feared not Pharaoh's mandate—Hab. 11, 23—they seemed to be impressed that their son would be the deliverer of his people, and their faith in God inspired their plans. Hidden at home for three months, then consigned to an ark—likely suggested by Noah's ark—and placed among the flags of the Nile, where she knew Pharaoh's daughter came to bathe; she did the best she could think of and then trusted all in God's hands, leaving Miriam, the baby's older sister, to watch events. The pith-covered box is copied by the king's daughter, and when they raised the lid the cry of the babe touched the heart of the Princess, and secured it a home in the palace of this mighty king. Miriam was alert; she soon secured the best nurse any child can have, its own mother—no doubt God working through woman's wit. She had this fine government position, and on her faithful breast her boy learned of Israel's God in this hot-bed of idolatry. Having graduated from his mother's arms, she resigns Moses to Pharaoh's daughter for further training in all the wisdom of Egypt. God's plans triumph over Satan's schemes.

BUY LUCKY BOYS

LARDER LAKE. 6 CENTS PER SHARE.

This will probably be the last opportunity to purchase Larder Lake shares of inside properties at such a low price.

REMEMBER we sold 2,500,000 shares of Blue Bell in 25 days at 10 cents per share. We have 1,000,000 shares of Lucky Boys at 6 cents per share. It won't last long.

We recently made a most successful flotation of the wonderful Blue Bell Gold Mines, Limited. We offered to investors half of the capital stock, amounting to 2,500,000 shares, at 10 cents per share. We stated to our clients and investors in general that the shares of Blue Bell were a great purchase, and that the amount offered would be fully subscribed. Our predictions in this respect were fulfilled—the full amount of shares offered has been subscribed for. We have had to return money and turn back many applications. Some of our clients and many investors were very much disappointed at not being able to obtain these shares.

We now offer what we believe to be an investment equally as inviting and one that also is as good an investment and which we believe will prove equally as profitable. The LUCKY BOYS shares at 6 cents per share will come within the reach of many more investors on account of the price and also on account of not so large an amount of money being required to be invested therein in order to obtain some of the shares. We will say with every confidence that the One Million shares of Lucky Boys which we now offer will be largely over-subscribed.

We want to serve every investor the same and advise all who want to make a safe, profitable investment, and one that will make you many times over what you invest, to PLACE YOUR RESERVATIONS AT ONCE. We will file all reservations in the order received, whether received by mail, telephone or telegraph, and will hold all such reservations for a sufficient length of time to enable the remittance for same to reach us.

The Lucky Boys claims were staked last summer and were well selected. Gold-bearing quartz is found upon each and every claim. Some of the claims adjoin the famous Redick claims; others adjoin the well-known Proprietary Gold Fields Company, and others adjoin the wonderful Blue Bell properties. We can advise investors truthfully that there are no better claims in the Larder Lake gold fields than those of the Lucky Boys. We do not believe it is necessary for us to go into as much detail regarding Larder Lake, its possibilities and resources, as we have heretofore done in our advertisements pertaining thereto. All Canada must have heard of Larder Lake—the new Eldorado of northern Ontario—and of its wonderful gold deposits.

Our own expert miners and mining engineers who are now in the field are sending out reports to us almost daily of the great gold finds that are being made and of the wonderful extent of the gold veins and their remarkable widths. Mining men of experience and mining engineers of reputation and standing declare that there is nothing in the world that has ever been known to excel what is found there in the great lodes that lie open and are exposed to the surface, many feet in width and extending for miles.

The gold which is found at Larder Lake is most marvelously and equally distributed throughout the quartz. Of course it is only guess work at this time for anyone to say what quantity of gold will be taken out within the next year or two; but it is safe, from present indications, to count upon many millions. Cobalt is a wonder, and has made a number of millionaires in the past three or four years, but the number of millionaires that will be made in Larder Lake gold district within the next year will be many times that which Cobalt has produced. There are many men to-day who have not more than several hundred dollars, or perhaps less, who will possess within the next year as many hundred thousand as they have hundreds of dollars to-day. The production of gold last year exceeded FIVE HUNDRED MILLION DOLLARS. Somebody got this money. Most of it went to the people in ordinary circumstances. By investors placing their money in Larder Lake NOW, they will reap great profits. Many millions will be

returned to those who have the courage and the judgment to invest their money now in Larder Lake. The secret of profitable investment in mining is the careful selection of a brokerage house which will first go to the pains and expense of finding out for an absolute certainty if the proposition they offer is reliable and has merit, and as to keep in close touch and know the actual conditions surrounding the properties which we advertise and recommend. We do not claim to have the only gold property in the Larder Lake district, or the only one that has merit. We do not claim that we are the only brokerage firm that is honest and reliable. We do not caution you not to buy other shares or of other brokers. We are not trying to build up our own reputation upon the ruination of others, but by upright, straight-forward business methods.

WE DO CLAIM, however, that we are sincere in what we offer method and have obtained reliable information from the Larder Lake district as to its being a substantial gold field. We are satisfied that the Lucky Boys property is a good, safe investment, and the Lucky Boy property, and we know that it is a very easy and a and that all that will be required is to place the machinery upon the properties, and we believe the results therefrom will pay millions of dollars in dividends to stockholders.

6 CENTS PER SHARE

Remember that we have but ONE MILLION shares of the Lucky Boys to offer at 6 cents per share. This is not half the number we offered in Blue Bell, and does not represent a total investment of one-fourth the amount to bring about an over-subscription. We therefore urge IMMEDIATE ACTION by all those that failed to be in time to secure Blue Bell, and we further advise that investors should have no hesitation whatever; that Lucky Boys is mining company, regardless of price, location or results obtained. The Directors, Officers and Management of the Lucky Boys are among the most successful mining men in Northern Ontario—men whose standing and reputation are beyond reproach—and every investor may feel assured that their interests will be looked after by manner.

The entire country is waking up to the wonderful opportunities offered in the Larder Lake gold district. The opportunities offered now to make safe and enormously profitable investments will have passed within a very short time. Men representing millions are untily offered now of buying Lucky Boys at six cents per share will in on the very rock bottom, in the very heart of the wonderful Larder Lake district. It should be remembered that these properties are just as valuable and have just as good showing of the wonderful amount of gold in sight, and are in every other way as good as the properties of other companies whose shares are selling to-day at \$1.00 and \$1.50 per share. We sincerely believe, and have every reason to make the assertion that Lucky Boys, which can be purchased to-day at six cents, will in a very short time be selling at \$1.00 or more.

FINE CANDIES AT

"DON'T I GET SOME?"
says the dog. "Of course you do," says the boy. The Candies made by MacKENZIE BROS. are good enough for anybody. Some of the choicest, and yet not expensive, is an old-fashioned Peppermint, Lemon, and Winter-Green Sticks, just the kind for children as well as the grown-ups.

MacKENZIE BROS
