

# Listen!

Have you heard about Peps? Peps is a scientific preparation put up in pastille form, which provides an entirely new and effective treatment for coughs, colds, chest and throat troubles.

Peps contains certain medicinal ingredients, which, when placed upon the tongue, immediately turn into vapor, and are breathed down the air passages to the lungs. On their journey, they soothe the inflamed and irritated membranes of the bronchial tubes, the delicate walls of the air passages, and finally enter and carry relief and healing to the lungs.

In a word, while no liquid or solid can get to the lungs and air passages, these Peps fumes get there direct, and at once commence healing.

HOW YOU CAN TELL  
GENUINE ASPIRIN

Only Tablets with "Bayer Cross" are Aspirin—No others!

There is only one Aspirin, that marked with the "Bayer Cross"—all other tablets are only acid imitations.

Genuine "Bayer Tablets of Aspirin" have been prescribed by physicians for nineteen years and proved safe by millions for Pain, Headache, Neuralgia, Colds, Rheumatism, Lumbago, Neuritis.

Handy in boxes of 12 tablets—also larger "Bayer" packages, can be had at any drug store. Made in Canada.

Aspirin is the trade mark (registered in Canada), of Bayer Manufacture of Monocetate of Salicylic Acid.

While it is well known that Aspirin means Bayer manufacture, to assist the public against imitations, the Tablets of Bayer Company, Ltd., will be stamped with their general trade mark, the "Bayer Cross."

## END STOMACH TROUBLE, GASES OR DYSPEPSIA

"Pape's Diapiesin" makes sick, sour, gassy stomachs surely feel fine in five minutes.

If what you just ate is souring on your stomach or lies like a lump of lead, or you belch gas and eructate sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach-headache, you can get relief in five minutes by neutralizing acidity. Put an end to such stomach distress now by getting a large fifty-cent case of Pape's Diapiesin from any drug store. You realize in five minutes how needless it is to suffer from indigestion, dyspepsia or any stomach disorder caused by food fermentation due to excessive acid in stomach.

## IF YOUR CHILD IS CROSS, FEVERISH, CONSTIPATED

Look, Mother! If tongue is coated, cleanse little bowels with "California Syrup of Figs."

Mothers can rest easy after giving "California Syrup of Figs," because in a few hours all the clogged-up waste sour bile and fermenting food gently moves out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure.

Ask your druggist for a bottle of "California Syrup of Figs," which contains directions for babies, children, of all ages and for grown-ups.

## 10 CENT "CASCARETS" FOR LIVER AND BOWELS

Cure Sick Headache, Constipation, Bloating, Sour Stomach, Bad Breath—Candy Cathartic.

No odds how bad your liver, stomach or bowels; how much your head aches, how miserable you are from constipation, indigestion, bloating and sluggish bowels—you always get relief with Cascarets. They immediately cleanse and regulate the stomach, remove the sour, fermenting food and foul gases; take the excess bile from the liver and carry off the constipated waste matter and poison from the intestines and bowels. A 10-cent box from your druggist will keep your liver and bowels clean; stomach sweet and head clear for months. They work while you sleep.

## BRIDGE OVER RIVER AT EDMUNDSTON

Structure Costing \$200,000, Will be Erected This Year

It is expected that a substantial highway bridge, to cost probably \$200,000, will be built over the St. John river between Edmundston and Madawaska (Me.), this year. The new structure will connect new modern highways recently built in Quebec province, New Brunswick and Maine, and will thus open an important new through trunk line for automobilists, as well as assisting trade between the provinces named and Maine. The nearest bridge over the St. John from Edmundston, a rapidly growing industrial centre, is twenty-five miles below, between St. Leonard's, in the southern part of the county, and Van Buren.

A meeting has been called in Edmundston this week by Pius Michaud, M. P., to consider the bridge question further, Ottawa, having requested the residents of the thriving town to put their views in writing.

The federal government has appropriated \$25,000 towards the bridge fund and it is expected that a further grant will be made at the coming session of parliament. The state of Maine has agreed to pay half of the cost of the bridge, as it did in the construction of the St. Leonard's Van Buren bridge. As the proposed structure will be an international bridge, the New Brunswick government will not be directly interested.

For several years there has been considerable travel across the St. John river at Edmundston by cable ferry, which carries teams, automobiles and individuals in the season of navigation, and over the ice in winter, but the ferry has largely outgrown its usefulness and traveling is hazardous in the spring when the ice weakens.

John M. Stevens, of Edmundston, said that he thought preliminary work on the foundation might be begun this winter and that efforts would be made to have the structure completed by next fall. He said that highways throughout that section had been greatly improved and modernized and that the new structure would be of great importance to motorists.

## COPENHAGEN CHEWING TOBACCO

Copenhagen is used differently from ordinary chewing tobacco. Take a small pinch, for a start, and put it between the lower lip and gum, in the centre.

Afterwards you can increase the size of the pinch to suit the strength of the chew you desire. Copenhagen is strong, because the tobacco of which it is made is cut into fine grains, which makes it impart its strength thoroughly and quickly.

Hence, a little "pinch" goes a long way, showing that Copenhagen is not only an unusually economical chew, but also one of the finest quality, being made of the best, old, rich, high-flavored tobacco.

## LIFT CORNS OR CALLUSES OFF

Doesn't hurt! Lift any corn or callus off with fingers

Don't suffer! A tiny bottle of Frezons costs but a few cents at any drug store. Apply a few drops on the corn, callus, or "hard skin" on bottom of foot, then lift them off. When Frezons removes corns from the toes or calluses from the bottom of feet, the skin beneath is left pink and healthy and never sore, tender or irritated.

## "BEST MEDICINE FOR WOMEN"

What Lydia E. Pinkham's Vegetable Compound Did For Ohio Woman.

Portsmouth, Ohio.—"I suffered from irregularities, pains in my side and was so weak at times I could hardly get around to do my work, and as I had four in my family and three boarders it made it very hard for me. Lydia E. Pinkham's Vegetable Compound was recommended to me. I took it and it has restored my health. It is certainly the best medicine for women's ailments I ever saw."

Mrs. Sara Shaw, R. No. 1, Portsmouth, Ohio.

Mrs. Shaw proved the merit of this medicine and wrote this letter in order that other suffering women may find relief as she did.

Women who are suffering as she was should not drag along from day to day without giving this famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, a trial. For special advice in regard to such ailments write to Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its forty years experience is at your service.

## Former Carleton Co. Woman Dies in B. C.

Mrs. Francis S. Phillips, wife of C. H. Phillips, died at her home, at Cranbrook, B. C. The deceased was 59 years of age and was the last of a family of eight children. She was the daughter of Alonzo Taylor of East Florenceville, and went to Cranbrook seven years ago with her youngest boy, Sperry. During the period of her residence there she won her way into the hearts of all who were fortunate enough to meet her, and her death comes as a distinct shock to her hosts of friends.

Mrs. Phillips had been suffering

from bronchitis for the past two years, but no dangerous symptoms appeared until the death of Eugene Phillips, her eldest son, who was killed at Valenciennes, France, just one year ago Wednesday. Eugene was twenty-two years of age when he made the supreme sacrifice and was acting captain at brigade headquarters. He won the Military Cross, which Mrs. Phillips received from the Prince of Wales on the occasion of his recent visit to Nelson. Her son, Sperry, was only seventeen when he enlisted and lost his left leg two years later at the front. He is now at the B. C. University at Vancouver. Besides the husband and son, Mrs. Phillips is survived by her daughter, Mrs. T. O. Phillips of this city.

By the death of Mrs. Phillips the Grim Reaper is responsible for taking from our midst one of the noblest and sweetest characters in Cranbrook, one who strove to do a kind turn for others even in her weakest moments.

The sympathy of the entire community goes out to the saddened home, and all will deeply deplore their distinct loss.

## Seeking High Tariff Against Our Potatoes

Subscriptions are being taken among the potato purchasers and shippers of Arcoostook county for the purpose of carrying on a campaign for a high tariff against Canadian potatoes, which, it is said, can be raised at less cost on this side of the border than in Maine. Congress is now in session at Washington, but it is doubtful if anything can be done there this session towards erecting the proposed trade barrier.

It is expected that much opposition will be made by the larger cities, where potatoes now

## NO PROFITEERING WITH ZAM-BUK

Before the war, Zam-Buk was 50c. a box. All during the war, when the cost of production was rapidly advancing, the price of Zam-Buk to the consumer remained the same. Now, with the war over, while some prices continue to soar, Zam-Buk is still 50c. a box. Not only so, but the same high standard of quality has been maintained throughout.

There has been no profiteering in regard to Zam-Buk. For every box you have bought, you have been asked to pay fair value only.

Is this method of doing business not worthy of recognition? Answer this question by continuing to recommend, to appreciate and to use Zam-Buk—the greatest household healer of modern times.

Use it for all skin troubles, eczema, ringworm, abscesses, ulcers, boils, pimples, piles, blood-poisoning, chapped hands, cold sores, cuts, bruises, burns, scalds, etc.

are very high, and which desire the Canadian product. The Democratic leaders in the United States have said repeatedly that a tariff on potatoes and other necessities meant that prices would be higher to the consumer and would assist any group or groups of men who desire to do so to corner the supply. Should a high tariff clause as to potatoes be railroaded through Congress, it is possible, if not probable, that President Wilson will place his veto to it.
