Save that spoonful

Four and often five spoonfuls of ordinary tea do not go any further than three of Red Rose Tea. Less Red Rose is required because it consists chiefly of rich, strong, full-flavored Assam teas.

Use Red Rose Tea and save that extra spoonful.

THICK, GLOSSY HAIR

FREE FROM DANDRUFF

Girls! Try it! Hair gets soft, fluffy and beautiful—Get a small bottle of Danderine.

If you care for heavy hair that glitters with beauty and is radiant with life; has an incomparable softness and is fluffy and lustrous, try Danderine.

Just one application doubles the beauty of your hair, besides it immediately dissolves every particle of dandruff. You can not have nice heavy, healthy hair if you have dandruff. This destructive scurf robs the hair of its lustre, its strength and its very life, and if not overcome it produces a feverishness and itching of the scalp; the hair roots famish, loosen and die; then the hair falls out fast. Surely get a small bottle of Knowlton's Danderine from any drug store and just try it.
