Quebec, March 14.—That Sir Lomer Gouin is about to quit the Provincial arena and go to Ottawa, probably to the Senate, and maybe as a Minister in the Union Cabinet, is a story printed yesterday in L'Evenement, the official Conservative Unionist organ of Quebec Province. The story originated from the Montreal correspondent of the paper, the man who predicted the request of the Legislature for a Royal Commission inquiry into the Maisonneuve land deal.

Yesterday's story says that Sir Lomer Gouin is packing up to leave the Provincial arena, and that he will relegate the Liberal ship to Hon. Mr. Taschereau. Hon. Mr. Gouin would be much more popular than Mr. Taschereau, says L'Evenement, but he is not quite ready to take up the job of Premier.

The paper says that Sir Lomer Gouin will be out of Provincial politics within the next few months, and that there is genuine ground for the report that he may be called to Ottawa either in the Senate or in the Union Cabinet.

TEETHING TROUBLES

Baby's teething time is a time of worry for most mothers. Baby's little gums become swollen and tender; his bowels get out of order and constipation, colic or even diarrhoea sets in. To make the teething period easy Baby's Own Tablets should be given the little one. They sweeten the stomach; regulate the bowels and keep the baby good natured. Concerning them Mrs. Marcel D. LeBlanc, Memramcook, N.B., writes: "I have used Baby's Own Tablets for the past six years and have found them indispensable. To my mind nothing can equal them in allaying the fever accompanying teething. I would not be without them and can strongly recommend them to other mothers." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ontario.

PRIVATE BILL WENT THROUGH COMMITTEE

St. Catharines Act Favorably Reported Upon by Hon. Mr. Lucas' Committee This Morning. Local Delegation Introduced by F. R. Parnell, M.P.P.

(Special to The Journal)
Toronto, March 14.—The Private Bill of St. Catharines was favorably reported this morning by the private bills committee after hearing a brief statement from City Solicitor Kingstone, Mayor Elson and Ald. Eagle. Mr. Hill and City Treasurer Watt also were present and the delegation was introduced by F. R. Parnell, M.P.P. Hon. Mr. Lucas, Chairman of the committee requested that the letter from the Provincial Treasurer giving his sanction for the payment over of the funds be filed. This was agreed to and the bill went through for presentation to the House.

In advocating the legislature Mr. Kingstone pointed out that the municipality was desirous of securing these funds to meet the subscription of \$500,000 which had been made for Victory Bonds in the recent campaign declaring that if corporation had control of the money it could secure 5% per cent. interest against 5 per cent. paid by the Province.

The Bonded interest of municipality was now \$150,000 he said which coupled with sinking funds of over \$356,000 paid to the Provincial Treasurer under the Act in 1911 when the city's finances were not properly administered would enable the corporation to pay up the bonds and invest the money to much better advantage.

The Private Bill reads as follows:—

BILL

An Act Respecting the City of St. Catharines

WHEREAS the Corporation of the City of St. Catharines has, by its petition, represented that in order to promote to its fullest extent the success of Canada's Victory Loan, 1918, it subscribed thereto for the sum of \$500,000, being the amount of its sinking funds on deposit with the Treasurer of Ontario, and on deposit with the bankers of the corporation and available for such purpose, and it is necessary, in order to complete the payments upon the said subscription, to have the said sinking funds, amounting to \$356,240.77, on deposit with the Treasurer of Ontario, released and paid over to the treasurer of the corporation; and whereas the corporation is validated and authority given for the release and payment over of the said sinking funds for the purposes mentioned; and whereas it is expedient to grant the prayer of the said petition;

Therefore, His Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:—

1. This Act may be cited as The City of St. Catharines Act, 1919.
2. The subscription by the Corporation of the City of St. Catharines for \$500,000 to Canada's Victory Loan, 1918, out of the sinking funds of the said corporation is hereby validated and confirmed.

3. The Treasurer of Ontario is hereby authorized to release and pay over to the treasurer of the Corporation of the City of St. Catharines all sinking funds (with accrued interest thereon), deposited pursuant to the provisions of section 4 chapter 110 of the reign of His Majesty King George the Acts passed in the first year of V., for the purpose of enabling the said corporation to complete its payments upon the said subscriptions to Canada's Victory Loan, 1918.

4. Section 4 of chapter 110 of the Statutes of Ontario, passed in the first year of the reign of His Majesty King George V., is hereby repealed.

GIRLS! GIRLS! TRY IT!

STOP DANDRUFF AND BEAUTIFY YOUR HAIR

Hair stops falling out and gets thick, wavy, strong and beautiful.

Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a "Danderrine hair cleanse." Just try this—moisten a cloth with a little Danderrine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt and excessive oil and in just a few moments you have doubled the beauty of your hair.

Besides beautifying the hair at once, Danderrine dissolves every particle of dandruff; cleanses purifies and invigorates the scalp, forever stopping itching and falling hair.

But what will please you most will be after a few weeks' use when you will actually see new hair—fine and downy at first—yes—but real! new hair growing all over the scalp. If you care for pretty, soft hair and lots of it, surely get a small bottle of Knowlton's Danderrine from your druggist or toilet counter for a few cents.

NOVA SCOTIA TOWN WIPED OUT BY FIRE

Amherst, N. S., March 14.—A disastrous fire broke out this morning in the prosperous town of Petitoctiac, 20 miles from Moncton. It is thought to have originated in a blacksmith shop and it rapidly spread in all directions. Among the buildings destroyed were the bank of Nova Scotia, the post office, railway station and many retail stores. The fire is still raging with unabated fury and is threatening the eastern end of the town. The Moncton fire department is on the way to Petitoctiac, but it is doubtful whether it will arrive in time to be of much service.

A Tribute to the Hardest Worked Merchants in Our Country

HAVE you ever considered the important part played by the grocer in our daily life?

From early morn and often until late at night the grocer keeps open for our convenience.

Whether we want a 5-cent bar of soap, a package of tea or a sack of potatoes he is there to serve us—and with a cheerful "thank you".

You trade with him almost every day. You look upon him as a friend. He treats your children kindly when you send them to the store.

When sickness, accident or unemployment occurs, it is the big-hearted grocer who supplies the home with the necessities of life and often waits a long time for his money.

He has had many trials during the past four years. Government regulations have hampered his business. Goods have been difficult to procure. Help scarce. Profits small. He sells on a closer margin of profit than probably any other line of retail trade.

For nearly twenty-five years, the T. H. Estabrooks Company has been distributing millions of pounds of Red Rose Tea through the grocers of Canada. Our relations with them have been very intimate and very friendly. We, therefore, know something of their difficulties and something of the services they are rendering, which we think deserve recognition and appreciation.
