NEW WORK.

CHAMBERS' MISCELLANY. OF USEFUL AND ENTERTAINING KNOWLEDGE, Edited by ROBERT CHAMBERS, author of Cyclopaedia of English Literature & With Elegant Illustrative Engravings. Price 25 cents per No.

GOULD, KENDALL & LINCOLN are happy to announce that they have completed arrangements with Messrs. Chambers, of Edinburgh for the republication, in semi-monthly numbers, of CHAMBERS' MISCELLANY.

The design of the MISCELLANY is to supply the increasing demand for useful, instructive, and entertaining reading, and to bring all the aids of literature to bear on the cultivation of the feelings of the people—to impress correct views on important moral and social questions—express every species of strife and savagery—cheer the lagging and desponding, by the relation of tales from the imaginations of popular writers—excite the fancy by descriptions of interesting foreign scenes—to give a zest to every-day occupations by ballad and lyrical poetry—in short, to furnish an unobtrusive friend and guide, a lively domestic companion, as far as that object can be attained through the instrumentality of books.

The universally acknowledged merits of the Cyclopaedia of English Literature, and the unbounded commendation bestowed by the press, give the publishers full confidence in the real value and entire success of the present work.

The publication has already commenced, and will form a complete work, and every third number will be furnished with a title page and table of contents, thus forming a beautifully illustrated volume of over 500 pages in every class of readers. The whole to be completed in THIRTY NUMBERS, forming Ten elegant Volumes.

NOTICES OF THE PRESS. From the N. Y. Commercial Advertiser. We are glad to see an American issue of this publication, and especially in so neat and convenient a form. It is an admirable compilation, distinguished by the good taste which has been shown in all the publications of the Messrs. Chambers. It unites the useful and the agreeable, and is so judiciously adapted to a good extent, the many-pamphlet and immortal works which have so long been too widely circulated.

From the Boston Chronicle. This is decidedly a great favorite with the reading public, uniting the taste of all classes, and instructive to all.

This work can be sent by mail to any part of the country. A direct remittance to the publishers of Six Dollars will pay for the entire work. This liberal discount for advance pay will nearly cover the cost of postage on the work. Those who remit their money by bank note or by draft, will receive their copies immediately.

Booksellers and Agents supplied on the most liberal terms.

GOULD, KENDALL & LINCOLN, Publishers, Boston.

THE MONTREAL TRANSCRIPT.

COMMERCIAL ADVERTISER. Published on Tuesday, Thursday and Saturday, at the Price of 10 SHILLINGS per annum, payable quarterly in advance.

The Transcript is printed on a sheet nearly as large as any used in the Province; and under circumstances, it will be still further enlarged in the course of the ensuing summer.

During the approaching Session of Parliament the Transcript will contain Reports of the Proceedings, sufficiently comprehensive to furnish Record of all that occurs in both Legislative Bodies.

As a Family Newspaper, the Transcript will support its old character. A portion of its spare space will be devoted to the insertion of miscellaneous matter of an interesting and Literary character, and which once offensive to morals will be carefully avoided.

We have commenced, and intend to continue, a series of Biographical Sketches from Chambers' Miscellany of Useful and Entertaining Tracts and other Works; and during the present season, notice will be taken of the Lectures delivered at the several Literary Institutions of this city, which we commenced last winter, and which gave general satisfaction.

TERMS OF THE TRANSCRIPT BY MAIL. The price of Subscription of the MONTREAL TRANSCRIPT, (when sent by mail) is TWELVE SHILLINGS per annum, payable in advance. To facilitate remittances, FIFTEEN SHILLINGS will pay for Fifteen Months; TEN SHILLINGS for Ten Months; and FIVE SHILLINGS for Five Months. When the period of subscription is nearly expired, we shall send three different copies of the Transcript enclosed in blue or green covers; and if no remittance is made, the Paper shall, in every case, be discontinued. As the paper is given to subscribers at the lowest possible price, all money letters must be post-paid; and those which are not, the amount of postage will be deducted from the money sent.

The Transcript is sent to Subscribers in the country twice or three times a week, at their option. The whole of the reading matter of Thursday and Saturday's papers being put into one sheet—thus saving the Subscriber one-third postage, the price of subscription to the both is the same. Subscribers, in waiting for the Transcript, will please mention whether they wish the tri-weekly or semi-weekly paper sent to them.

Newspapers with whom we exchange will please copy the Name, which we will be happy to reciprocate in the same way. Goderich, March 3, 1848. 5

PURIFY THE BLOOD.

MOFFAT'S VEGETABLE LIFE PILLS AND PHENIX BITTERS.

THE high and envied celebrity which these pre-eminant Medicines have acquired for their invariable efficacy in all the diseases which they profess to cure, has rendered the usual practice of puffing not only unnecessary, but unworthy of them. They are known by their fruits; their good works testify for them, and they thrive not by the faith of the credulous.

IN ALL CASES of Asthma, Acute and Chronic Rheumatism, Affections of the Bladder and Kidneys, Bilious Fevers and Liver Complaints.

In the South and West where these diseases prevail, they will be found invaluable. Planters, farmers, and others, who once use these Medicines, will never be without them.

Bilious Cholera, and Serious Looseness, Bile, Costiveness, Colds and Coughs, Chronic Consumption. Used with great success in this disease. Corrupt Humors, Dropsies, Dyspepsia. No person with this distressing disease, should delay using these Medicines immediately.

Eruptions of the Skin. Erysipelas, Flatulency. Fever and Ague. For this scourge of the western country these Medicines will be found a safe, speedy, and certain remedy. Other medicines leave the system subject to a return of the disease—a cure by these Medicines is permanent. Try them, be satisfied, and be CURED.

Fatness of Complexion, General Debility, Gout, Giddiness, Gravel, Headaches, Nervousness, Inward Fever, Inflammatory Rheumatism, Impure Blood, Jaundice, Loss of Appetite, Liver Complaints, Leprosy, Looseness, Mercurial Diseases.

Never fails to eradicate entirely all the effects of Mercury infinitely sooner than the most powerful preparation of Sarsaparilla.

Night Sweats, Nervous Debility, Nervous Complaints of all kinds, Organic Affections, Palpitation of the Heart, Painter's Cholera.

PHLEGS: The original proprietor of these Medicines was cured of Piles of 35 years standing by the use of these Life Medicines alone.

PAINS in the head, side, back, limbs, joints and organs.

RHEUMATISM. Those afflicted with this terrible disease, will be sure of relief by the Life Medicines.

Rush of Blood to the Head, Scoury, Salt Rheum, Swellings.

Scurfiness, or King's Evil, in its worst forms, Ulcers, of every description.

WORMS of all kinds, are effectually expelled by these Medicines. Parents will do well to administer them to their children, as their existence is suspected. Relief will be certain.

THE LIFE PILLS AND PHENIX BITTERS PURIFY THE BLOOD, and thus remove all disease from the system. A single trial will place the LIFE PILLS and PHENIX BITTERS before the reach of competition in the estimation of every patient.

The genuine of these Medicines are now put up in white wrappers and labels, together with a pamphlet, called "Moffat's Good Samaritan," containing the directions, &c., on which is a drawing of Broadway, from Wall street to our Office, by which strangers visiting the city can very easily find us. The wrappers and Samariums are copyrighted, therefore, those who purchase them with white wrappers can be assured that they are genuine. Be careful, and do not buy those with yellow wrappers; but if you do, be satisfied that they come direct from us, or don't touch them.

Prepared and sold by DR. WILLIAM B. MOFFAT, 335 Broadway, corner of Anthony street, New York. For sale by BENJ. PARSONS, Sole Agent, Goderich, Jan. 23, 1848. 1
