NOTE.

The following was received too late for last week:- Revival meetings have closed. Next Sabbath morning those that went forward will have an opportunity of joining the church, Rev. Mr. Campbell will conduct the service.

Persons are beginning to run in the old track again at the stroke of the political excitement has cleared away. While we are speaking on this matter, we might be excused for mentioning a circular sent out with a bouffant in the night of the election, which we think was entirely out of place under the circumstances. We have no objections to the boys having a bouffant, as long as they do it in a respectable manner, but when oaths and curses fill the air, it is time to speak out. It was done at a man's door who was just recovering from a very severe illness, and at the church door. We do not know why the boys did it. They must have got the example from Goderich town, where they lost their respectability so far as to allow children's effry to be hung at half mast. On the Liberty pole. Had the like been done at the Nile there are lots of respectable Conservatives who would have pulled it down in quick time.

Some scribbler in the Star makes mention of a church member at the Nile swearing a class leader. We believe if he did, he did it in good faith. We don't think the church will think any less of him for doing his duty.

The Conservative Club of this place had an oyster supper on Tuesday which was a grand success. We think it is the most sensible way of celebrating a victory.

Charles Girvin, jr., Andrew Kirk, and Miss R. Baile attended the county S. S. convention at Blyth. They report a good time.

GRATEFUL-COMFORTING

EPPS'S COCOA.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle poisons are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame." - *Westminster Gazette.*

Made simply with boiling water or milk. Sold only in packets by Grocers, labelled **JAMES EPPS & CO. Homoeopathic Chemists, London, England.**

PROF. GUSTIN, The Great Magnetic Healer.
AT THE GRAND UNION HOTEL, CLINTON.
FOR THREE WEEKS, COMMENCING ON THE 22nd INST.

Paralytics and other Invalids, beyond the reach of ordinary skill, are all benefited and some of them made entirely cured by his treatment. No medicine used. Help for all. The most sceptical convinced. No case hopeless. The hand can be made to see, see clear to hear and the lame to walk. Charges very moderate. Remember only three weeks.

For the benefit of people similarly afflicted, I wish to state that Prof. Gustin has restored the use of my hands, which have been partially paralyzed and almost powerless for five years, defying all other treatment. JAMES STRUTHERS, Sr., Queen's Hotel, Brussels. John Hayward, of West Haverhill, Mass., states: From a healthy, strong man, I have been reduced to a state of incapacity for any work, with weak back, general debility and diabetes. With three treatments from Prof. Gustin I am as well as ever.

THE BLIND SUE.—Euphemia McDougall, of Grey Township, has spent hundreds of dollars on her infirmities without any relief. Besides neuralgic pains and general debility, she has been blind for four years. With two treatments from Prof. Gustin she has been restored to both sight and health, and will be happy to give any information.

THE LAME WALK.—Mrs D. Henderson, of Ethel, has suffered so severely with rheumatic pains that for nearly six months she could scarcely eat anything, and has visited the best medical skill in Toronto without relief. Two treatments from Prof. Gustin had removed all pain, and his appetite is completely restored. He recommends all suffering similarly to visit the Professor.

A son of Jos. Kellner, of Grey, aged 12 years, whose left arm was paralyzed by lightning, and who had been saved by Prof. Gustin's treatment, has had his hearing saved by Prof. Gustin's treatment. I certify that I am personally acquainted with Prof. Gustin, and know him to possess the power of Diagnosing Disease, the patient being at a distance, and know of different parties that have been cured by him without the use of medicine.
