Cricketana.

Racy Record of the Cricket Match of Yesterday.

Despite the many counter attractions and the large numbers of people who went countrywards, the weather being so fine, the cricket match of yesterday, City vs. Shamrock, was witnessed by many hundreds of spectators. After the interest evinced in yesterday's match by citizens generally, he must be a confirmed pessimist who would still adhere to the belief that the game is not still very popular in St. John's. We opine that with little energy properly directed the game would hold the same place in public estimation as it did only a decade ago, when citizens flocked in their thousands to Pleasantville to see the hard-fought contests which then prevailed. Football has superseded cricket, but it does not call for the art in playing it which the latter does. The weather was balmy yesterday with a gentle westerly wind blowing and St. George's Field presented an animated appearance. Flags flew from all points, many ladies were in the throng which crowded the grand stand, and the dulcet strains of the C.L.B. band were very pleasing to the ear. The object of the match was one which appealed to all, viz., the helping of the fund organized to secure a new church ship for the Lord Bishop of Newfoundland. In the struggle the "heroes of a hundred fights," the Shamrocks, went down to defeat, but considering that not a man of the team has played a match or had any practice for over 10 years, they need not feel ashamed of their aggregate of 89. A feature of the game was Secretary Fitzherbert's brilliant exhibition of batting for the City. His innings of 104 was made in a dashing manner and he proved himself to be an expert at the willow. Though the boundaries were short and runs rapidly earned, this did in no way discount Mr. Fitzherbert's tasty style as a batter. Connors declared it to be the best demonstration of graceful and clever batting seen in St. John's for many years. Winning the toss, the City team elected to go to the wicket first, and Mr. Fitzherbert and Mr. T. Job paired first, facing the bowling of Donnelly and Linegar. When nearly an hour had passed, playing a careful though dashing game and sending boundaries right and left, Job succumbed to Linegar with a well earned 36 to his credit. Rendell joined Mr. Fitzherbert, but had hardly done so when Donnelly retired him for a cipher in the third ball of his over. Two wickets for 78 runs. Mr. J. Munn was next to go to bat and had not long been at work when Secretary Fitzherbert's "century" was announced after 1 1/2 hours' play, and the field loudly applauded him. The Shamrocks were fielding excellently and giving no extras. Here His Excellency and suite accompanied by Bishop Jones arrived. The band played the National Anthem and the spectators saluted the party, who remained until the last wicket fell. On making a drive for 6 Mr. Fitzherbert broke his bat and a leg bye, the first extra recorded after 2 hours' play. Mr. P. Wallace now replaced Donnelly bowling, and the Shamrocks missed catching both men. Both men were playing nicely when Wallace found Munn's wicket, and he retired with a well played 22. Three wickets for 160 runs. Mr. W. C. Job now associated himself with Mr. Fitzherbert, and it certainly reminded spectators of old matches to see Mr. Job face Wallace and Linegar. Mr. Job has lost none of his skill as a batsman, and shortly after he went to the wicket his companion was captured by Linegar, and as he left the field Mr. Fitzherbert received an ovation. His 104 runs was the result of brilliant, graceful and yet careful play. Four wickets down for 180 runs. Mr. A. Donnelly now paired Mr. Job, who was rapidly putting up a score, but did not remain long, Linegar retiring him for 0. Mr. Gerald Ayre now faced the music, but was quickly and deftly caught by Keating at point off Linegar without scoring. Six wickets gone for 180. Mr. Frank Donnelly now joined Mr. Job, and both were not long at play when Mr. Job sent the ball to the boundary, just inside of which His Excellency sat. The Governor stopped the ball on its course inside the rail and received the amused plaudits of all who witnessed the feat. Mr. Job, who was playing well, was soon afterwards caught off Wallace by Larkin, who had to run for it, the catch being a difficult one. Mr. Job hit up a nice 33 and well deserved the applause received. Seven wickets down for 206 runs. Mr. Gerald Harvey now went to bat, Mr. Frank Donnelly all the while playing good cricket and scoring hurriedly. Shortly after Mr. Harvey joined him, Mr.

F. Donnelly was caught by Mr. Jno. Donnelly at square leg off Linegar with a total of 9. Eight wickets for 207 runs. Mr. Bert Job now entered the fray and broke his bat on the first or second ball sent him. He was soon caught by Mr. Keating off Wallace with a score of 1. Nine wickets down for 208. Mr. Trenchard now paired with Mr. Harvey but was run out for 2 runs, and the innings closed with a total of 211 runs. The Shamrock fielding was very good and they conceded their opponents only three extras.

Mrs. B. Job here took a photo of Mr. Jno. Donnelly, the Shamrock's "strong man," who good naturedly submitted to the ordeal, after which a short interval occurred.

When the Shamrocks went to bat the idea was entertained by their supporters that some of their well known "sloggers" would settle down to work and that it would "rain" boundaries, but the fates willed otherwise. Messrs. J. S. Keating and Jas. Foley were the first to face the bowling of Trenchard and Ayre. Mr. Keating was just settling down to work when Mr. T. Job caught him with one hand at point and was applauded for his work. Mr. Keating's score was 3 runs. One wicket down for 15 runs. Mr. C. Ellis next reinforced Foley, when shortly after Mr. Foley's wicket was found, retiring him for 6. Two men gone for 19 runs. Mr. P. Wallace now faced the music and gave a fine exhibition, carrying his bat through the rest of the innings and in the style for which he was famed in past matches, making many sharp runs. Trenchard's excellent bowling was demonstrated in this innings and he dismissed Mr. Ellis for 5 runs. Three wickets down for 30. J. Larkin now joined Wallace and was getting steadily down to work when Trenchard's deadly bowling was once more in evidence and he went under after his 6th run. Four men gone for 38 runs. Mr. Jno. Donnelly next took the wicket, but fell before Ayre for 5 runs. Five wickets down for 46 runs and Shamrock's stock lost, even its par value. Mr. P. Berrigan, a hard "drive" and good all round man, now paired with Wallace, who was getting very sharp runs, but Ayre found his wicket for 9, and six were recorded out for 65 runs. Mr. J. Savage, another good man, was also quickly dismissed by Trenchard for 1 run. Seven men out for 70 runs and it looked like a forlorn hope for the Shamrocks. Mr. E. Furlong now batted very well and it looked like a stand for him, but he was caught by wicket keeper Rendell off Munn, who was now bowling. Eight wickets down for 82 runs. Mr. W. Linegar was now quickly bowled by Munn for 2 runs, and in the first ball Mr. Munn disturbed Mr. John Higgins' furniture, the innings closing with 89 runs for Shamrocks, the City thus being the victors by 122 runs. Messrs. Patk. Myler and Gregory Flynn capably performed the duties of umpires.

Suspect Arrested.

On the 19th inst. some person or persons unknown entered a building in course of erection on Robinson's Hill and stole a quantity of lead, etc. The police ever since have been on the look out for the thief or thieves, and last night Sgt. Byrne arrested a man suspected of the larceny. It is said that 50 lbs. of lead were stolen, and the police believe that more than one person was implicated in the matter, and they hope to round up these parties soon. They think that they have the right man in the matter, and that from him they will get the names of the others.

Itching Piles For 27 Yrs.

Despaired of ever getting relief until cure came 3 years ago with use of **DR. CHASE'S OINTMENT.**

Mr. John Johnson, Cawley, Alta., writes: "Three years ago I was cured of blind, itching piles of twenty-seven years' standing by using Dr. Chase's Ointment. I used to think that death would be the only relief I could ever get from the terrible misery of piles. "Dr. Chase's Ointment is worth sixty dollars a box instead of sixty cents. I am a different man since using it. I am farming all the time now and never miss a day. Words fail to express my gratitude for the cure this Ointment made for me. I cannot tell half as much about it as it deserves. Any one doubting this can write direct to me."

Do not accept an imitation or substitute in place of Dr. Chase's Ointment, for there has yet to be discovered a treatment which so promptly gives relief from itching and so thoroughly cures every form of piles. 60 cents a box, at all dealers, or Edmondson, Bates & Co., Toronto. Write for a free copy of Dr. Chase's Recipes.

Hit by a Bike.

As little Frank Fleming, aged 6, of Carter's Hill, was coming out Freshwater Road with his father yesterday, a man came along on a bike, when the child becoming scared left his father's side and ran immediately in front of the machine. It collided with him, but had not the rider been so quick to jump off he would have killed the boy when he fell; as it was the lad's lip was split and he received other injuries though not of a serious nature. His father and the owner of the bike bound up the wound and

hurried the lad to town where a doctor dressed the wound. No blame could be attributed to the rider of the bicycle.

Very Artistic Work.

The engraved address of the T. A. Society, presented recently to the President, His Honor Mayor Ellis, is the most beautiful piece of work we have seen for many years. The design is very artistic and the lettering and tint ensemble extremely handsome. It is now framed and hanging in the Society's rooms. The work was executed by Mr. John Sullivan, of King's Cove, employed at Knowling's, and is a testimony to his ability as a penman and to his artistic talent.

Hit With Ball.

Just after the city team finished its innings yesterday, the two umpires, Messrs. Myler and Flynn went practicing with bat and ball. The former bowled pretty swiftly to the latter when the ball struck him full in the face and the blood flowed freely from nose and mouth. Mr. Flynn had to lay on his back on the field for fully 10 minutes before the flow of blood ceased. He continued, however, to umpire the match to its finish.

ASK FOR MINARD'S AND TAKE NO OTHER

Complaint About Letters on Labrador.

Editor Evening Telegram.

Dear Mr. Editor,—Allow me space in your paper for the following lines, in which I am going to state before the Government how the mail is handled on board the S. S. Invermora. The S. S. Invermora arrived at Wabber's Cove on Saturday morning at 3 o'clock, but bringing no mail. They landed the mail in Kennedy's Cove about three miles above this harbor. Then people had to go there for their mail, which could be avoided if the mail was delivered in proper order. Also people's letters are sometimes

carried down the shore, and cannot get them until she returns, and then it is too late for home correspondence. Letters belonging to people in Long Island were landed in the harbor, which the people could not get, until her return trip from St. John's. I wish that the Government would attend to such matters, and arrange the mail in proper order, when the people would be able to answer their letters by return mail.

I am, yours truly,
A FISHERMAN'S SON.
