From a fou off Shortall the Institute were again on St. Bon's goal but could not pass the backs. St. Bon's now worked the leather west again, Templeman making a pretty run and passing to Collins, he centred from the wing sending the ball across the goa mouth to Shortall, who deftly headed the leather safely in the net, scoring No. 2 for St. Bon's amidst the acclamation of the onlookers. This made matters look serious for the Institute boys, who now sailed in to do some execution, and getting the ball past all opposition, Jeans sent in a swift one from the wing, beating Byrne and scoring No. 1 for C. The Institute boys now made a determined run up field, the ball was handled by a St. Bon's player inside the nenalty line and a nenalty kick was awarded them. This was taken by Smith, but he sent the leather too high and it struck and rebounded from the cross bar and nothing resulted. Soon after the game closed with St. Bon's, 2 goals; C.E.I. W. J.
