The Evening Chit-Chat
By BOBEY GAMMON

When your babies ask to let them blow soap bubbles, what do you answer?
Do you say, "Oh, dear, I hate to have you, because you mess things up so and get yourself all wet"?
Or do you go with willing alacrity and get the clay pipes down from the pantry shelf and fill the basin with nice soapy water.
According to the latest discoveries of health experts that is what you should do.
Nay, more than that.
If the babies forget to blow soap bubbles you should instill the desire into them, just as often as you possibly can.
For what do you think? Blowing soap bubbles has been discovered to be a splendid lung developer.
At one of the largest tuberculosis camps in the world, the doctors have given their patients orders to blow soap bubbles an hour every day. At a certain time in the morning all the patients are seen starting out with their clay pipes and their basins.
So if you want your children to have fine healthy lungs you must encourage them in blowing "bubbles soft and fine" as often as possible.
From what I remember of my own delight in the beautiful iridescent things and the fun of competing as to who could blow the biggest, or the one which would last the longest, it seems to me that shouldn't be a very difficult task.
I wonder if there is a family in which the necessity of putting to death some family pet or stray cat or dog does not occasionally arise. Probably not.
Wherefore, I am going to pass on a little receipt for doing this unpleasant task as kindly as possible, which the cat specialist whom I quoted the other day is anxious to have made public:
"We have arranged a method of putting cats to sleep in such a way that they actually go to sleep without a struggle and without suffering.
"We believe that cats need air to die, as well as to live, so we put a little chloroform on cotton and let the cat inhale it. By the way, this is usually done at night when the cat has had a full meal and is ready for sleep. Contrary to the universal opinion cats will sleep at night if trained that way. So we give it a very little chloroform, and the cat inhales it—good judgment is used in the giving. Then the cat lies down and gets ready to sleep, and we give it a little more of the vapor. Soon we hear labored breathing from the unconscious cat, and we put a generous amount of chloroform on cotton, throw it in and close the box.
The heart action stops very gradually by this way. The little body shows that there has been no suffering but that death simply comes while the body sleeps.
"Surely any animal lover will appreciate the value of this specialist's instruction.
Rud Cameron

The Fountain Head of Life Is The Stomach

A man who has a weak and impaired stomach and who does not properly digest his food will soon find that his blood has become weak and impoverished, and that his whole body is improperly and insufficiently nourished.
DR. PIERCE'S GOLDEN MEDICAL DISCOVERY makes the stomach strong, promotes the flow of digestive juices, restores the lost appetite, makes assimilation perfect, invigorates the liver and purifies and enriches the blood. It is the great blood-maker, flesh-builder and restorative. Its action is strong in body, active in mind and cool in judgement.
This "Discovery" is a pure, glyceric extract of American medical roots, absolutely free from alcohol and all injurious, habit-forming drugs. All its ingredients are printed on its wrappers. It has no relationship with secret nostrums. Its every ingredient is endorsed by the leaders in all the schools of medicine. Don't accept a secret nostrum as a substitute for this time-proven remedy known as Dr. Pierce's Golden Medical Discovery. They must know of many cures made by it during past 40 years, right in your own neighborhood. World's Dispensary Medical Association, Dr. K. V. Pierce, Pres., Buffalo, N. Y.

All in the Family.

"Owing to a railway smash-up I got left in a little Nebraska town one night a year ago," said the commercial traveller, "and the way I came in contact with a trust almost made my hair stand on end. It was a wretched town and a still worse hotel. My room was small, and the bed was as hard as a board. I got up feeling mad, and, after a miserable breakfast, I was ready to go. The bolting came when the landlord presented me with a bill of four dollars.
"'Is this correct?' I asked, as I looked at the figures.
"'Entirely so,' he replied.
"'Then you are an old highway robber.'
"'The landlord had three sons, and when they began to take a share in the altercation I turned on them and made a number of fiery remarks. When I stopped for breath the old man, who turned out to be a justice of the peace, sat down in a chair and calmly announced:
"'Hear ye! hear ye! I now declare this court duly opened. James, have you any business?'
"Chafed and Aching Feet
Make walking a misery to many who do not know of Dr. Chase's Ointment.
How far can you walk without suffering in one way or another from discomfort to your feet?
Modern footwear is a prison house and the result is chafed, scalded, inflamed feet.
You can get a world of comfort by using Dr. A. W. Chase's Ointment when your feet give you trouble. This treatment is so delightfully soothing and healing that helps you as once.
Unlike unsanitary powders which clog the pores, Dr. Chase's Ointment makes the skin soft and smooth and prevents corns and bunions.
When the feet are chafed, scalded, itching and tired, it takes out the stinging and burning and its benefits are both quick and lasting.
This ointment also affords relief and cure for chilblains and frost bites.
Whenever there is itching of the skin or a sore that refuses to heal you can use Dr. Chase's Ointment with most satisfactory results. 60 cts. a box; at all dealers, or Edmanston, Bates & Co., Toronto.

First Scottish Earl.

The Earl of Crawford, who has completed his sixty-fourth year, is the premier Earl of Scotland, and one of the most interesting members of the peerage.
He is a keen scientist and bibliophile, an experienced traveller, and an enthusiastic yachtsman, and he is the possessor of one of the finest stamp collections in this country. He is also a great authority on astronomy, having been for two years President of the Astronomical Society, and some years ago he took part in an expedition to Spain to observe a solar eclipse.
As Lord Balcarres he sat in the House of Commons as member for Wigan, resigning the seat in 1880 on the death of his father, the twenty-fifth earl.
The earldom of Crawford was conferred so far back as 1398 upon David Lindsay, the ninth baron, who fought a passage-at-arms with Lord Welles in the presence of Richard II. and Queen Anne of Bohemia.
One of the present earl's ancestors was the Crusader Sir William Bradshaugh, of Haigh, whose wife, when she learned that her husband had been

Stomach Misery Just Vanishes.

No Indigestion, Sourness, Gas or Dyspepsia five minutes later.
As there is often some one in your family who suffers an attack of indigestion or some form of Stomach trouble, why don't you keep some Diapiesin in the house handy?
This harmless blessing will digest anything you can eat without the slightest discomfort, and overcome a sour, gassy Stomach five minutes after.
Tell your pharmacist to let you read the formula, plainly printed on these 50-cent cases of Pape's Diapiesin, then you will readily see why it makes Indigestion, Sour Stomach, Heartburn and other distress go in five minutes, and relieves at once such miseries as Belching of Gas, Erections of sour, undigested food, Nausea, Headaches, Dizziness, Constipation and other Stomach disorders.
Some folks have tried so long to find relief from Indigestion and Dyspepsia or an out-of-order stomach with the common, every-day cures advertised that they have about made up their minds that they have something else wrong, or believe theirs is a case of Nervousness, Gastritis, Catarrh of the Stomach or Cancer.
This, no doubt, is a serious mistake. Your real trouble is, what you at does not digest; instead, it ferments and sours, turns to acid, Gas and Stomach poison, which putrefy in the digestive tract and intestines, and sends, poison the breath with nauseous odors.
A hearty appetite, with thorough digestion, and without the slightest discomfort or misery of the stomach, is waiting for you as soon as you decide to try Pape's Diapiesin.
Five minutes.
illed in Palestine, married again, but some time afterwards Sir William returned alive and well, and when he discovered what had happened, he slew his rival, and made the lady do penance by walking barefoot, once a week, from Haigh to Haigh 'ross, wet or fine.
Lord Crawford is very rich, deriving his wealth from Lancashire minerals as well as from his broad Scottish acres. He has a beautiful place in Fifeshire.
His lordship was once pointing out to a country lady the Houses of Parliament.
"Tell, now," she exclaimed, "what fine building that is! It ain't the aworks, is it?"
"It is madam," he replied; "the works of the whole British nation."

AUNT JULIA.

Burne-Jones, the artist, used to tell story of a little boy who on one occasion asked to be allowed to go to school at the children's tea time, a circumstance so unique as to puzzle the domestic authorities. The mother refused, but the child whimpered and persevered and succeeded. The father was presently in his study at the back of the house looking out in the arden, when he saw the child in his little nightshirt come secretly down the stairs behind some shrubs. He had garden fork in his hand. After a lapse of some minutes he came out again and stole quietly upstairs. The other's investigations revealed some freshly turned earth. Some few inches down was a closed envelope which the child had buried. On opening it he found a lucifer match and a slip of paper, on which was written a pencil, in a sprawling hand:
"Dear Devil: Please take away Aunt Julia."

He Could Not Sleep at Nights.

HE FOUND RELIEF IN DODD'S KIDNEY PILLS.
Fred Swanson, of Saskatchewan, sends a message of cheer to those who feel the weariness and discouragement that comes from broken rest.
Macklin, Sask., Oct. 18. (Special)—Those who suffer from sleepless nights and get up in the morning feeling tired and discouraged will find renewed hope in the statement made by Fred Swanson of this place. He could not sleep at nights. He discovered the cause. It was Kidney trouble. He discovered the cure. It is Dodd's Kidney Pills.
"Yes," Mr. Swanson says in an interview regarding his case, "I was troubled with my Kidneys for over a year, so bad that I could not sleep at nights. After using one box of Dodd's Kidney Pills I found great relief. Four boxes removed all my pain and now I sleep well and I am as strong in my Kidneys as any man."
If the Kidneys are wrong the blood becomes clogged with impurities and natural rest is an impossibility. Strong, healthy Kidneys mean pure blood, new life all over the body and that delightful rest that is the sweetest thing in life. Dodd's Kidney Pills always make strong, healthy Kidneys.
