

# REID-NEWFOUNDLAND CO.

EVERY day finds a use for it, every house has a place for it, no house wired for electricity is complete without it—

## The Westinghouse Electric Toaster-Stove

creates an unrivaled place for itself in the heart of every modern woman.

It relieves her of the necessity of lighting fire in the kitchen stove to prepare the breakfast.

It enables her to prepare dainty luncheons right on the dining table while enjoying the conversation of her company.

Let us demonstrate one for you at your home.

Eggs, ham, bacon, etc. can be fried as well on the Westinghouse Toaster-Stove as on the big kitchen stove, and without the heat, dirt, fumes, etc. It can be used on a side table for keeping things warm while you are at dinner, and the finest toast in the world can be quickly made upon it.

Strongly built, it will last a lifetime; handsomely finished in polished nickel, it makes an attractive addition to any table service.

In fact there are a hundred and one reasons why it is destined to become universally used.

Price \$7.20 each.

### MR. CAR OWNER, As a Business Proposition,

#### Which would You Buy?

The DUNLOP TIRE that is moulded as a UNIT, whereby the thick, tough rubber Traction tread, the rubber side strips, the layers of rubber impregnated fabric and of pure rubber are blended in one live integral product?

Or the other kind which vulcanizes its tread strip on to the body to make a finish.

Your Business Acumen says, DUNLOP.

The DUNLOP TRACTION was put on the market in 1911. After one season's experience it proved so successful that last year it was used by 75 per cent. of all cars in Canada.

Will you buy a proven Tire like the Dunlop, or will you buy a Tire which was proven to be fourth rate by the tire test recently held in England.

Your Business Acumen says, DUNLOP.

Fred V. Chesman, Agent.
