Signs of Great Things

the next few months. To- birthplace and enlisted.

Lake, British Commander-in-Cnief, to the South of the river Tigris. The S.O. E Church Parade of overy forty years experience I have form of the message seems to carry with it the information that this force of Russians came either from Persia or that portion of Asiatic Turkey to nual church parade and attended Dithe North-east of Mosul. The message says that the official communication issued on Saturday night brings all the younger members of the Soci- in this important matter. the welcome but astonishing intelligence that the party of Russian cav-ly large. Rev. Dr. Jones, Rector, was alry had succeeded in joining Gor-the preacher on the occasion and after alry had succeeded in joining Gorringe's force on the South bank of the Tigris. These words appear to exclude the possibility of the Russian described the present war as seen cavalry having been transported by the Siberian Railway and sea to the ranged, consisting of the following mouth of the Tigris just as the Russian forces were sent to France. As "Eternal Father, God Supreme," "O no information has come of the Rus-God Our Help in Agest Past," Psalms sians arriving at Mosul or its vicinity, and prayer, and for the anthem, Mazart's Gloria in Excelsis. The colit may be that this force crossed to the West of Mosul and marched be donated to the Patriotic Fund. At through the midst of Mesopotamia, the conclusion of the service the conpassed Bagdad, and then got in touch with the British forces but the jourwith the British forces, but the jourwith the British forces, but the journey is so long and perilous that it is addresses were delivered by District Deputy Bro. G. B. Lloyd, Past President difficult to imagine that such a feat ents, Hon. R. A. Squires, W. Quick has been accomplished. It seems and Pike. The usual vote of thanks more probable that it is part of the more probable that it is part of the mobile force which had been operating in Persia to the East of Bagdad The difficulties of getting thence to the South of the Tigris would also be considerable as there would be difficult mountain passes to cross on the borders between Persia and the province of Bagdad. Later news brings the intelligence that a very considerable number of Austrian troops, Captain James Cummins, famous as a arrived at Bagdad, and that 4,000 Ger-
