#### Money Making Hints For Merchants.

HOW MANY DOLLARS ARE THERE IN AN HOUR? You don't want to waste time doing work that a machine will do for you. A complete new Model NATIONAL Cash Register will give you more time to make money. It will keep your accounts straight to the cent. You can tell it at any minute the number and amount of sales for the day, who made them, whether goods were sold for cash or charged. It will enable you to KNOW, you will no longer have to GUESS.

NO MORE BOOK-KEEPING! Handling accounts in the old-fashioned way means either overtime work for the merchant or employing a bookkeeper. It either adds to the merchant's troubles and labour, or adds to his overhead expense.

The new National Credit Account File takes care of all detail work AT ONE WRITING. No day-book, no ledger, no monthly statement. It protects your charge records against mistakes and losses, and will SAVE YOU MONEY.

DO YOU USE COUNTER CHECK BOOKS? Let us quote you on your next order. We specialise in this work and can supply you with a superior book with the new carbonised back—does not soil fingers—or carbon sheet. Write for sample and prices.

We carry National Cash Registers in stock for immediate sale, freight and duty paid, on easy monthly payments without interest, or allow a liberal discount for cash. Call or write to-day for full particulars.
