

In the Realms of Sport

ST. PATRICK'S GARDEN PARTY AND FIELD DAY.

Sports Programme Was A Special Feature.

St. Patrick's Garden Party, held at Lester's Field, yesterday afternoon, was largely attended and proved a decided success. The committee in charge had all arrangements perfected for the occasion and all are to be congratulated on their efforts. The ground was dotted with numerous tents and side-shows, while the display of hunting, which floated rally in the breeze, made the surroundings a very pretty scene. Among those present were His Grace, the Archbishop, Rev. Dr. Kitchin, pastor of St. Patrick's, Priests from the Cathedral and outside parishes; also Hon. Sir J. C. Crosbie, and Mr. W. F. Linegar, M. H.A., representatives of the District. During the afternoon the side-shows and wheels of fortune were well patronized, although the most popular event of the evening was the sports programme. The sprint races and middle distance events saw many runners of repute in action. J. Cotter, a St. Bon's boy, carried the 100 and 220 yard dashes, while Clifford Stone easily outdistanced a field of runners in the half and one mile events. The Junior League relay race furnished several thrills. The T. A. lads nosed out the B.I.S. boys for the honors close to the tape. Nikosey's running helped largely in his team's victory. The football sides were close and interesting. In the finals the Wesley defeated the Cadets for the medals. The most popular vent of the day, the five mile road race, for a handsome trophy, was postponed until a later date. The committee acted wisely in postponing it due to the condition of the road which was covered with tar only a few hours previous. It is understood that only a few competitors had entered for this race, which is rather regrettable. The following is the list of winners and winners:—

100 Yards Dash—1st, J. Cotter; 2nd, Vinicombe.
220 Yards Dash—1st, J. Cotter; 2nd, Oakley.
Football Sides—Cadets defeat Holy Cross.
1 Mile Race—1st, C. Stone; 2nd, J. Russell.
Football Sides—Wesley defeat T.A. Half Mile Race—1st, C. Stone; 2nd, J. Russell.
Junior League Relay—Won by T.A. team: S. Russell, J. McCormack, L. Nikosey.
Quarter Mile—1st, S. Russell; 2nd, G. Stone.
Final Football Sides—Wesley defeat Cadets. Winning team: B. Adey, H. Marshall, R. Nichol, J. Driscoll, H. Haynes, W. Sparks.
At the close of the prizes were presented by His Grace the Archbishop, who congratulated the winners on their success.
The National Anthem, played by the C.C.C. Band, brought this successful outdoor event to a close.

JUNIOR FOOTBALL LEAGUE.

T.A. And Cadets The Victors.

The Junior footballers, played two games at St. George's Field yesterday. At 3 p.m. the T.A. and Gaelic faced off, the result ending in a victory for the former by 5 goals to 1. In the first half the T.A. lads found the net four times. Bailey, McCormack and Nikosey figuring in the scoring. In the second half the Gaelic team showed a big improvement in their play, and not many minutes had elapsed before Jackson had landed the first counter, which proved to be their one and only goal. Towards the end of play the T.A. lads staged a rally when Bailey scored the last goal of the afternoon by a combined effort. Owing to the high wind goal football was entirely out of the question. Nevertheless both teams put up a very good game, that proved pleasing to the goodly attendance of spectators.

2nd Game.

At 7.30 the Cadets and Scouts tried conclusions. The Cadets, with a well balanced team, put it all over the Scouts in this game. They registered six goals to their opponents' nil. A feature of the game was their tricky combination and hard work. The Scouts paid many a visit to the Cadet danger zone throughout the game, but erratic shooting always followed, which was responsible for their downfall.

NEXT GAME.

The Holy Cross and B.I.S. teams, strong contenders for championship honors, will compete in the next Junior League game. Both teams have thus far gone through the series without suffering a defeat. An exciting contest is being looked forward to.

TO-NIGHT'S FOOTBALL.

The B.I.S. and C.L.B. teams will face-off at St. George's Field to-night. A good game is anticipated.

REGATTA RIPPLES.

Preparations for the Annual Regatta are now in full swing and from present indications it looks as if this year's Derby will be equal to any. The Bankers race, which is on the programme for the first time, promises to be keenly contested, as all the

banks have crews practicing and are shaping up well.

The Amateur race, will give a good send-off to the day's programme, and will be as hard fought as ever. Tobin's crew in the Nellie R. promise to be strong contenders for the honors. This crew has made some changes in their positions the last few nights, and Max Chambers is now on the stroke oar. Other crews in this race, are also shaping up well.

The Mercantile race is creating much interest, and four crews will likely enter. Crews are practicing for the Trade and Laborers' races, and it looks as if these will be harder fought than for a long time.

At the Regatta meeting on Friday night crews for the Amateur, Mercantile, Juvenile, Intermediate, Senior and Junior Football will enter.

A JUDGE'S OPINION.

Editor "Realms of Sport,"
Dear Sir—Re letter published July 12th. and signed "Enthusiast." I would like to point out to the writer, that Mr. Johnson's letter in no way, to my mind, tried to whitewash the Judges, but was more of an appeal for clear sport and to give a little information to those who desire it, and did not know as much about boxing as Enthusiast seems to think he does, that they could get a copy of the Amateur Rules on which the competitors were judged.

I may say I was one of the Judges, and cannot see where or what rules whether American or British, your writer makes out Phalen anywhere near Vandersteen. I believe I give Phalen a little better than 50 per cent. of the points in that contest, and do not think the other Judges give him as much.

Re his scoring of bout, Diamond vs. Dabbs, on second night when he came out with his point so concisely, scored for clean hits I happen to have my scoring with me, and for the first round where he sees only 11 hits to 3 in Diamond's favor. I gave Diamond 24 clean hits to Dabbs' 20. I may state in closing that I am not opening a controversy on the subject, but should suggest to Enthusiast that he see Mr. Johnson and get a copy of the rules, studies them, and goes to the Competitions with an unprejudiced mind, and when criticising people who have been chosen judges by the A.A.A. for the knowledge they possess, he has the courage to use his own name and not write a non de plume.

Yours sincerely,
W. BURNS.

Spencer Girls' in Camp

The 1st St. John's Companies, attached to Spencer College, are now in camp at a beauty spot, near Mackinson's Station. The village is known as "Juniper Stump." It is one of the prettiest places for a camp—the South River, flowing through, affords shade and convenient pools. A very kind lady who owns the property, some 368 acres, generously offered the Guides space for their camp site. Captain Elwin Nash, Physical Culture Specialist of Spencer College, is Camp Commandant; Miss Syretha Squires, a trained nurse, is in charge of the medical department. Rev. H. V. Whitehouse, Incumbent of Salmon Cove, kindly acts as Camp Chaplain, and with Professor Herbert Stirling, did great work in arranging the erection of tents, kindly loaned by Liston Col. Walter F. Rendell C.B.E., of the Church Lads' Brigade. The pioneers went to Mackinson's last Thursday, July 10th, and the Guides' company entrained Saturday morning, July 12. All ranks return on Tuesday night next by the 9.15 p.m. train, July 22nd.

The weather has been ideal. Camp routine is as follows:—6.30 a.m., Coochs; 7.00, Reveille; 7.30, Physical exercises; 8.00, Colours; 8.15, Breakfast; 8.45, Fatigue duty; 10.00, Inspection; 10.15, Guide Duties; 11.15, Bathing parade; 12.30, Dinner; 1 p.m., canteen opens; 1.15, Rest period, half hour of silence; 2.45, Guide duties; 5.00, Coochs reports; 5.30, Uniform; 6.00, Tea; 6.30, Colours; 6.45, Clean camp and change; 7.15, Games; 7.45, Camp Fire Stories; 8.15, Cocoa and biscuits; 8.30, Good night parade; 9.15, Lights out. Hikes are indulged in daily. All the Guides had an opportunity to witness the forest on fire a few miles away, now happily out, thanks to the rain. Next Sunday a Church Parade will be held. Saturday will be visitors' day. Mr. Brae of the Woolen Mills and others have extended the Guides every courtesy for which they are grateful. The girls are all sunburnt—"brown as berries"—and a Camp Nurse is rated a popular friend with her cream lotions. Miss Keef, the Specialist in Art of the Spencer staff, is also in camp so that we have pictures galore at the next exhibition at Spencer's Art Gallery. Meals are splendid, no grumbling, appetites all good and nobody ill. The Camp Cook has sent out an S.O.S. call for lettuce and mayonnaise, so if that's all they need they don't want very much! The Guides are all behaving themselves as Spencer girls always do, obeying orders and respecting officers, and the discipline is excellent.

We congratulate Captain Elwin Nash and her staff on the perfect arrangements and the jolly outing given the Girl Guides of Spencer College in the Great Outdoors, and for the splendid training and care the Girl Guides are receiving in this their first camp.—Q.

Steamer Home's Damages

A survey of the damage caused S.S. Home as the result of her going ashore at Bally Haly on Friday last was completed at the Dock wharf yesterday. It is quite apparent that the ship passed over the rocks as two bulges were found, one near the stem and another about 10 feet from the keel. It will be necessary to remove several of the damaged plates and put new ones in position. The four-peak is still flooded, but so far no water has made its appearance in any other part of the ship. Before the Home enters the Dry Dock for permanent repairs, the damages caused the steamer Kellhaven will be effected.

Wedding Bells

SNOW-STRICKLAND.

A quiet but pretty wedding was solemnized at St. Mary's Church, Southside, last evening at 7 o'clock, by the Rev. A. B. S. Stirling, Rector, when Miss Jessie Snow, daughter of Mr. Edward Snow, H. M. Customs, this city, was united in the holy bonds of matrimony to Mr. Edward Strickland of the Nfld. Government Railway. The bride was handsomely attired in a dress of lemon georgette over peach, with black picture hat, and carried a beautiful bouquet of carnations and ferns. She was given away by her brother, Mr. Wm. J. Snow, manager of the Gas Works, and was attended by her cousin, Miss Gladys Redstone, who wore a very becoming gown of rainbow georgette. The duties of best man were ably performed by Mr. Raymond Snow, brother of the bride. After the ceremony the wedding party drove countrywards as far as Topsail, returning to the residence of Mr. W. J. Snow, where a reception was held and the usual toasts honoured, the festivities being kept up until the wee sma' hours of the morning. The presents were both numerous and costly, testifying to the esteem in which the popular young couple are held. The bride and groom left by to-day's express for North Brook, where the honeymoon will be spent.

NAMES OMITTED.—The following names were omitted from Mr. Levi Prince's note of thanks a few days ago: Nurses O'Neill, O'Reilly, Flynn, Gardiner and Rees.

St. Andrew's Choir Outing

The members of St. Andrew's choir held a very enjoyable outing yesterday at the side of Bay Bulls Big Pond. Amongst the guests were the Pastor of St. Andrew's, Rev. Mr. Power and his wife and quite a number of friends from the other city choirs. Refreshments were provided by the ladies. There was keen competition for the prize of a medal offered for the most profound in the culinary art. The prize fell to the lot of Mrs. Frank Lumsden, who displayed an expert hand in dissecting a large turkey. The party returned to the city by motor busses and disbanded at the Presbyterian Church at 11 p.m.

BRITISH EMPIRE STEEL.

British Empire Steel rail mill, now out of orders, may not have to close down for three months if the Canadian National Railway places an order for 20,000 tons of rails. There is a report that this will be done. It is understood that the rails would not be paid for until next year. All three Bessemer showed market weakness during the week.

BRAZILIAN.

Buying on the part of London and Montreal has resumed in Brazilian Traction. Back in March and again the last of April there was quite an active demand for the shares and they moved up to 52.53. The past week saw the market fall just a little short of this when 53% was reached. Seemingly when the market gets within range of the 53 mark London becomes a seller. Brokers say this has been the case on the last three rallies in the issue.

MOENT ROYAL.

The dividend distribution to shareholders of the Mount Royal Hotel in the near future is not unlikely, may be deduced from the remarks of Frederick W. Rockwell, vice-president of the United Hotels of America, who recently attended a meeting of the Executive Committee of the Hotel in Montreal. He stated that earnings this year have been very encouraging, and an announcement will soon be possible which will be of interest to the shareholders, provided of course, that earnings are maintained at the high scale they have reached.

MORE IMPROVEMENTS AT THE MAJESTIC.

She's come, that's what they are all saying when they hear tell of Bebe Daniels who stars at the Majestic to-day in her best feature, "A Game Chicken."

The cocking tale of a pretty pullet who tried to be a rooster—Who dressed like a boy and crowed at cock-fights! Who finally fell a victim of love and a hootch-running plot that sizzles with thrills from Cuba to Dryburg Mass.

Every scene a sensation! A new kind of photoplay cocktail, made of hootch-amusing and love. Mixed by the U.S. Secret Service and topped by a chaucer from Cuba to Dryburg, Mass.

Loaded with a "kick" that shoots an outlaw schooner right into a fog filled with cops.

Flashing a luscious cherry of feminine fashion and beauty. Fizzling with fighting, fire and fun! The cockiest picture on the cinema roost—that's the Good Little Bad Girl in "A Game Chicken."

See this wonderful feature at the Majestic to-day where you will also hear the popular tenor vocalist Ben Redden sing three more of his best songs. The one-big feature and a pleasing one to note is that at the Majestic you are sure of ideal conditions. Recently a new system of ventilation was installed which with the aid of the large electric fan gives a continuous cool atmosphere.
