LOCAL NEWS

Owing to the fact that today is Arbor day and a legal holiday, all the city offices will be closed.

The directors of the Calgary Exhibition company will meet in the offices at 2:30 Monday, May 16th.

A meeting of the Taxpayers' association will be held in the old Board of Trade room, 224 Eighth avenue east, on Friday the 13th inst. at 4 p. m.

The episcopal practice of the Anglican Church will be held at the residence of Mrs. F. W. Forester, 1222 Fifteenth avenue west, on Saturday evening at 8 o'clock. All interested are cordially invited to attend.

Plans were filed with the building inspector yesterday for a three-story store and office building, costing \$10,000, to be constructed on Seventh avenue, next to the Church of the Redeemer, by Mr. E. J. Young.

The first section, so far as Immigration Agent Winn knows, to come to this province from Iceland passed through the city yesterday on their way to Red Deer. The name of the immigrant is Paul Matheson, and he is accompanied by his wife and daughter.

Last day for garden tools at reduced rates, the Calgary Horticultural Society will sell garden tools at Corner's Hardware Store, 117 Eighth avenue east, today (Friday) from 2 to 6 o'clock. This is the last day on which the Horticultural Society will sell garden tools at these rates.

The Grangers Co.

Refund travelling expenses to all purchasers of land along the C. & N. Railway. The Grangers Co. Room 10 Dominion Building.

Calgary to the Fore

Rarely ever has an entertainment been attempted in the west such as will be given in Sherman's rink tonight. The children's May Festival is a feature of all the larger cities, but it is understood that Calgary is setting the pace for Western Canada. The undertaking deserves the hearty support of the public.

Meeting of 15th Light Horse

A meeting of all ranks of the 15th Light Horse will be held in the drill hall on Saturday, May 14 at 8 p. m. to make arrangements for attending the memorial service to the late King. Uniforms will be given to all Calgary members of the regiment who wish to attend the annual camp.

TORONTO CITIZENS AFRAID

OF ARMED FOREIGNERS

Mr. Justice Riddell Suggests Searching All Immigrants For Weapons

Toronto, May 12.—Radical measures to protect citizens from the menace of foreigners armed with weapons were suggested by the grand jury in the criminal assizes in their presentation to Mr. Justice Riddell at the close of their duties yesterday, and in reply his lordship suggested the stripping and searching for weapons of all emigrants entering Canada.

POPULAR CALGARY PASTOR
RESIGNS HIS CHARGE

Ill Health Has Compelled Rev. A. W. Coone to Take a Much Needed Rest

Rev. A. W. Coone, for three years pastor of Trinity Methodist church, East Calgary, on Wednesday night tendered his resignation because of ill health. He has just recovered from an attack of typhoid fever, which has reduced his weight 35 pounds. He will rest for two or three months, but what he will do after that he does not know yet.

An invitation has been extended to Rev. W. J. Haggart of Banff to accept the pastorate, which Mr. Coone will leave on July 1. Mr. Coone came here from Ontario, and has increased the membership of the church tenfold since he arrived. He was very active in religious work in the city, having been secretary of the Ministerial association, president of the Calgary Moral and Reform league, and president of the local branch of the Epworth league. He will be obliged to tender all these positions.

CALGARY PRESBYTERY
TO SUPPORT HOME MISSIONS

The Presbyterians of the city are interested in the special home mission effort being made this week. A request has been made to have the churches of Wednesday donated to this cause and these offerings will be placed on the plates in the various churches next Sunday. The undertaking involves the support of all mission fields in this Presbytery, about twenty in number, costing about \$5,000 this year. Nearly half this amount has already been subscribed by ten friends of the cause, and it is expected the general membership of the six Presbyteries in the city will make up the balance. Calgary receives much from the surrounding district, and in this way will give some of it back to a cause that stands for both piety and patriotism.

AT THE THEATRES.

"Are you an Odd Fellow?" was presented at the Lyric theatre last night in a most creditable way, and without doubt is a most laughable comedy. It is pure and simple—not a serious situation or a serious line anywhere from the rise to the fall of the curtain, and in the hands of the Ekkhardt players can not fail to please. "Are you an Odd Fellow?" runs the balance of this week with a matinee on Saturday.

At the Lyric Next Week

Mr. C. H. Kerr will offer his four-act comedy success "Nancy," with the original Grace Cameron in the title role, at the Lyric on Wednesday and Thursday next week.

The Orpheum Theater

The Orpheum was packed last night with a crowd that laughed the limit. This bill is one that just gets the very heart of every one and is brim full of comedy all the way through. The musical numbers of the Demon received many encores. This seems to be one of the best bills yet produced by this company.

The Cardboard Baby

A Cardboard Baby? Yes, a cardboard baby! Surely a somewhat novel title for a moving picture! Briefly the story of this film, to be shown today at Starland tells how a little girl was taught by a good fairy to control her temper. To be sure it was all a dream, but it seemed a reality to the little girl, and she had all sorts of astonishing and amusing things happen before she awoke. The photography of the same is indeed a work of art and completely a production which will be equally interesting to both young and old. A number of good dramas and comedies, popular music and a vocal selection by Mrs. G. H. Kerr will be shown in which will today commend itself to the public. Extra pictures at the ladies' matinee as usual.
