WHO HAS THE FLOOR ?

Hon. George Foster then moved the se into Committee of Supply. Ross (Lisgar) and Mr. Charlton rose

simultaneously to address the Speaker, or rather the Deputy-Speaker, for Mr. Colby was in the chair. Mr. Ross proceeded directly with his

speech, and upon Mr. Charlton appealing for a decision between their respective claims to the floor, Mr. Coly awarded it A trick had been played by one of the boys to Mr. Ross

MR. ROSS' AMENDMENT.

tion of his complaint, moved in amendment that this House regrets that no pro- then put in a room together and kept posal for a land subsidy in aid of the standing all night. If any of them went to Manitoba & South-Eastern Railway Com- sleep they were awakened by ice cold water pany has been laid before Parliament.

MR. CHARLTON'S COMPLAINT.

Mr. charlton followed. He said that vesterday he had spoken to the Speaker, Finally, the guilty ones were discovered, and had been promised that he would receive recognition if he rose to move an amendment to the motion to go into Committee of Supply. He had spoken to-day to the Deputy-Speaker, and had been told that the member for Yale had already bespoken recognition. Now he found that not that member, but another, arose and freight earnings \$224,115; total, \$360,690; claimed the floor, and, as one amendment had been moved, he could not follow it with that of which he had privately given notice to the Government. He would, however, now read what he had intended to move. This was that the House is of opinion that the working expenses \$764,951, not profite Government of Canada should, without \$363,672. In March, 1888, there was a net delay, obtain the opinion of the Judicial Committee of the Privy Council on the constitutionality of the Jesuits' Estates Act. [follows:--Gross earnings, \$2,870,607; work-He held the Government responsible for burking this resolution, and declared that in his experience in Parliament he never saw 31st, 1888, there was a net profit of \$238,such a dodge before.

Sir John Macdonald said the dodge was on Mr. Charlton's side. The right to address the Speaker could not be preempted by any member, but belonged to whoever

caught the Speaker's eye. Mr. Charlton-I caught his back; his eye was turned in the other direction. seemed that Mr. Charlton had been running sylvania Railroad, became despondent be-Sir John Macdonald, continuing, said it round to the Speaker and Deputy-Speaker so as to prevent any independent member of Parliament catching the eye of the Speaker, so as to bring before the House any subject to which he wished to direct short distance from her sister's home, attention. He thought it was a piece of presumption on his part to suppose that everybody should stand aside and do him reverence.

Toronto, April 30 .- M. J. Mallavey, of As to the amendment offered by Mr. Ross, resolution proposed would not carry.

Mr. Charlton-Perhaps the honorable Sir John Macdonald-No, I won't answer any question. He has no right to put
