Great excitement at his offices all day and evening, 9 am, 109 p.m. week days. Deef hear, blind see, lame walk, the paralysed regain their power. Many come crying with pain, leaves smiling. Larger numbers than ever throng the new offices. Looks now as if the professor is to have no holiday to take his annual tramp to Paris and Berlin. It will be a disappointment, spoaking both languages, as he does. He enjoys the visit areally.

NARROW ESCAPE FROM DEATH.—Miss Nettle C. of B., Ont., has been an invalid the past five years. She has suffered terribly from female irregularities, norvous exhaustion, depression of spirits, loss of apperite and a great sense of lassitude and weakness of the whole body. Some days she would feel comparatively well, and the next day be wholly unable to assist herself; the lenst effort or exercise would produce a shortness of breath, and hot, faint flashes would pass over her; and a sense of weakness follow that is simply indescribable. She lost 30 pounds of flesh, her slein became sallow, and at imag her body would bloat so that she could mot fasten her clothing around her, and she was a hopeless, helpless invalid. In this condition her mother brought her to Dr. Lemon, Treatment was commenced on the 20th Pebruary, She had two magnetic treatments per week in cannection with a little medicine, and last week she pronounced herself well and feeling better than she has for seven years, and advises everybody to try Prof. Lemon, that his Magnetic Power, under divine ruling, saved her life after all other means failed, and she thinks he can cure you even if you think there is no help for you.
