THE POULTRY SHOW
 Lambton Co. Association Will Have a Winter Exhibition, Jan. 30, 31.

It was finally decided at the meeting of the board of directors of the Lambton County Poultry Association, held in the office of the Poultry Advocate on Saturday evening, to hold a winter show in Petrolia, on the last three days of January 29, 30 and 31. A short canvas among a few friends of the Association, had shown such a favorable inclination on the part of those seen to support an exhibition of this kind, that the prospect of financing the show and making a success of it, are exceptionally good.

It was decided, that for this year, at least, the prizes are to be awarded on the percentage plan, giving first prize birds 65 per cent., and second prize birds 55 per cent. of all the entry money paid in on each class.

In addition to the regular cash prizes, there will be a number of good cash specials, as well as a good list of valuable specials of other kinds. A handsome silver cup, has been offered to the Association by the Poultry Advocate, to be used as a sweepstake, and this will likely be offered for the four best birds of any breed in the show, entered by one exhibitor.

The secretary, reported having met a number of exhibitors from Ingersoll, St. Thomas and London, and had been promised an exhibit from each of those places, if there were any good specials offered, over and above the percentage prizes.

At one time the Lambton County Association had owned their own coops, but those had been sold, and they now have none on hand, so it was thought best for this season, to have each exhibitor send his birds in the coops in which they are to be shown. In a few cases, where birds come from a distance, coops will be provided, but as far as possible it is desired that the county exhibitors send the coops for their birds and any extra ones they may have on hand. Judging will be done by comparison, and the awards will be placed by W. McNeil, one of Canada's most popular, and competent judges. Exhibitors will feel assured of having their birds passed on by a thoroughly experienced judge, an important feature in a show.

Mr. Fraser's hall, opposite the Methodist church, has been secured for the show, and it will be a very suitable and convenient place for the purpose.

A meeting of the directors will be held every Saturday evening until the date of the show, in the office of the Poultry Advocate, and preparations will be pushed to completion as rapidly as possible.

A GREAT SEED BOOK.
 Ferry's 1907 Seed Annual Now Ready For Free Distribution.

Ferry's great seed book is now ready for distribution. This is the book that every farmer wants and waits for. It makes no difference what other catalogues are received, farmers are not satisfied until they get Ferry's, because it contains better and fuller information.

Ferry's Seed Annual, in fact, is really more than a catalogue. It differs from the usual seed catalogue inasmuch as it really helps each farmer or gardener to choose intelligently the varieties best suited to his particular needs. The wise selection of varieties results in bigger, better paying crops. The experience gained in fifty years of successful seed growing is thus at your command.

For freshness, purity and reliability Ferry's seeds are in a class by themselves. They are known all over the land, and farmers everywhere have confidence in the name of Ferry, and know for a certainty that their seeds can be relied upon. They know that every package has behind it the reputation of a house whose business standards are the highest in the trade.

Just drop a postal to D. M. Ferry & Co., Windsor, Ont., and they will send you copy of their 1907 Seed Annual. It's absolutely free.

Only Courage Wanted.
 —An elderly English woman who had during the course of a eventful life buried four husbands encountered at the gates of the cemetery where they reposed an old but timid lover whom she had not seen for years. She took him inside and showed him—not without a feeling of pride—the well kept tombstones of her former lords and masters. "Ah, James," she remarked, feelingly, "you might have been lying there to-day if you had only had a little more courage."

Rosy Cheeks for Pale Girls.
 Don't be debarred from strength and spirit, don't give in to idleness and despair. Ferrone supplies tone and vigor through which all functions of womanly life are maintained and fortified. From New Richmond, Que., comes the following statement from Mrs. Indore Boissoneault: "I take deep pleasure in testifying to the powerful influence of Ferrone. For years my daughter has been pale and sallow—showed signs of advanced anaemia. Her lips got so white and her cheeks so devoid of color I feared consumption. I can certify Ferrone made an excellent cure, and to-day my daughter's health is the best." 50c. per box at all dealers.

HAD SLUGGISH LIVER AND INDIGESTION

BILEANS EFFECTED A COMPLETE CURE

The liver rules the body. Bileans rule the liver. "A sluggish liver in my case led to constipation and indigestion," says Mrs. Frances Greene, of Earl St., Kingston, Ont. "I felt dull and sleepy, had no energy whatever for work, and every now and again I had a bad attack of biliousness. The food I ate seemed to lie heavy on my stomach and did me no good. I had wind and cramps in the stomach and bowels from the food decomposing. The constipation was so bad that my bowels had to be forced at each passage. All kinds of medicines I tried, but nothing did me any lasting good until I got Bileans. I have never found anything to equal them for constipation and liver and stomach troubles. They soon began to do me good and in the end cured me. Since using them I feel like a different woman. I am bright and buoyant in spirits, not dull and sleepy as I used to be. I have got my energy and activity back, and, in fact, all my ailments have yielded to Bileans."

Bileans are a purely herbal remedy and operate gently on liver and stomach, stimulating those organs to carry out their functions in nature's normal way. Headache, constipation, biliousness, piles, pains in the chest and back, wind pains and dizziness—all these symptoms arise really from derangements of liver and stomach, so that by correcting the root cause of these troubles, Bileans speedily end them all. This is surely better than taking powders for headache, hot drinks for wind pain, and dealing with each symptom piecemeal? All druggists sell Bileans at 50c. per box, or obtainable from the Bilean Co., Toronto, upon receipt of price. 6 boxes for \$2.50. Write for free sample, which will be mailed you on receipt of a one cent stamp.

Your Doctor

Can cure your Cough or Cold, no question about that, but why go to all the trouble and inconvenience of looking him up, and then of having his prescription filled, when you can step into any drug store in Canada and obtain a bottle of SHILOH'S CURE for a quarter.

Why pay two to five dollars when a twenty-five cent bottle of SHILOH will cure you as quickly?

Why not do as hundreds of thousands of Canadians have done for the past thirty-four years: let SHILOH be your doctor whenever a Cough or Cold appears.

SHILOH will cure you, and all druggists back up this statement with a positive guarantee.

The next time you have a Cough or Cold cure it with
