Praises this Asthma Remedy. A
sufferer from Dr. J. D. Kellogg's
Asthma Remedy finds it the only
remedy that will give relief, though
for thirteen years he had sought
other help. Years of needless suffer-
ing may be prevented by using this
wonderful remedy at the first warn-
ing of trouble. Its use is simple, its
effect is slight, and it can be purchased
almost anywhere.

MISERABLE AND ALWAYS IN PAIN

**Lydia E. Pinkham's Vegeta-
ble Compound a Dependable
Help for Mothers**

Port Greville, Nova Scotia.—"I took
your medicine for a terrible pain in my
side and for weakness and headaches. I
seemed to float all over, too, and my
feet and hands were the worst. I am
the mother of four children and I am
nursing my baby—the first one of four
I could nurse. I took Lydia E. Pink-
ham's Vegetable Compound before the
baby's birth, so you can see how much
it helped me. I cannot praise it too
highly for what it has done for me. I
took all kinds of medicine, but the Veg-
etable Compound is the only one that
has helped me for any length of time.
I recommend it to any one with troubles
like mine and you may use my letter for a
testimonial."—Mrs. ROBERT McCULLLEY,
Port Greville, Nova Scotia.

Before and after child-birth the mother
will find Lydia E. Pinkham's Vegetable
Compound a blessing.
Many many letters are received giv-
ing the same sort of experience as is
given in this letter. Not only is the
mother benefited, but these good results
pass on to the child.
No harmful drugs are used in the
preparation of this medicine—just roots
and herbs—and it can be taken in safety
by the nursing mother.
88 out of every 100 women reported
benefit from its use in a recent canvass
among women users of this medicine. C

Annett Reunion

The first annual picnic of the An-
nett Clan, which is composed of de-
scendants of Robert Annett, who came
from Frome, Wiltshire, England, to
Canada in 1829, drew over 200 mem-
bers from far and wide, recently to
James Annett's old farm, now owned
by his son-in-law, Mr. Hair, 12th line.
Broke. Registrations were made by
all and picnic dinner and supper
were enjoyed by both young and old.
A pretty spot in the woods was cho-
sen for this event and was beautifully
decorated with flags and banners
which acted as a means of welcome.
In the afternoon after everyone had
done justice to all the good things
on the tables, all were seated and lis-
tened attentively to a splendid pro-
gram. Wm. Annett, ex-warden of
Lambton county, acted as chairman
in a very capable manner and called
James Annett of Watford to give the
history of the Annett clan. Robert
Annett with his wife whose family
was eight sons, three daughters, came
to Canada in 1829. Out of this family
of eleven children, two sons, Robert
and Charles never came to Canada.
With the exception of Jeremiah An-
nett, who came and settled in the town-
ship of Southwold in 1830, all the
other sons, namely Philip, Noah,
George, Joseph, Stephen and the
three sisters settled in the township
of Euphemie and the surrounding
country. Out of the nine different
families all were represented at the
picnic but Joseph Annett's, who has
only one son living. The rest of the
program consisted of solos by Mrs.
Cole and Leonard and Calvin Annett
of Watford; violin selections by
Frank Sutton; Dutton, and Leonard
Annett, Watford; instrumentals by
Miss Amy Hair and Miss Beatrice
Annett; speeches by the following:
George Annett, Sr., and his nephew
George of Oil Springs; C. J. Annett,
Southwold; Roy Annett, Pontiac;
Isaac Annett, Detroit; and Harvey
Annett of Bothwell. The following
committees were appointed for the
coming year, honorary president, Jas.
Annett, Watford; president, Walter
Annett, Watford; 1st vice-president,
Harvey Annett, Bothwell; 2nd vice-
president, George Annett, Oil Springs
secretary, Margaret Annett, South-
wold station; treas., Chas. Annett,
Corunna; program committee, Calvin
Annett, Watford; Mrs. Chas. Annett,
Lawrence Sta.; Charles Annett, Glen-
coe; sports committee, E. Styles, St.
Thomas; C. Annett, Glenoe; Clar-
ence Delbear, Alvinston; Amy Hair,
Watford; refreshment committee,
Mrs. Hair, Watford; Mrs. Wm. Dol-
bear, Alvinston; Mrs. Walter Annett,
Watford. Plans for the next year in-
dicate that the annual meeting will
be held on the same farm the second
Saturday in June. Much credit is due
to the organizers of the gathering,
Charles Annett, Corunna, and his
nephew, Harvey Annett of Bothwell.

Worries in the Home

It is These That Cause Many a
Breakdown in Health

Almost every woman at the head of
a home meets daily with little worries
in her household affairs. They may be
too small to notice an hour afterward,
but it is the same little worries that
break down the health of so many
women. Their effect may be noticed
in nervous headaches, fickle appetite,
indigestion, pains in the side or back,
and a sallow complexion. To those
afflicted in this way, Dr. Williams'
Pink Pills, by improving and purify-
ing the blood, bring speedy relief.
Among thousands of weak women
who have tested and proved the mer-
its of this medicine is Mrs. Gustave
Hutt, Bruxelles, Man., who says:—"It
is with profound thanks that I write
to tell you what Dr. Williams' Pink
Pills have done for me. Before I be-
gan taking these pills I was weak, and
my blood thin and watery. I was so
thin that I looked like a skeleton. I
was troubled with headaches and in-
digestion, did not sleep well, and was
terribly constipated. I decided to try
Dr. Williams' Pink Pills and I soon
found that they were just what I
needed. Under their use my appetite
returned, my food digested properly,
and I slept better at night, and gain-
ed in flesh as well as strength. The
result is that now I am a perfectly
healthy woman, and there is no doubt
that it is due to the use of Dr. Wil-
liams' Pink Pills, a supply of which
I now always keep in the house, and
I would advise other women to do
the same."

You can get these pills through any
dealer in medicine, or by mail at 50
cents a box from The Dr. Williams'
Medicine Co., Brockville, Ont.

Ontario's gas tax of three cents
per gallon yielded the provincial gov-
ernment \$250,000 for the month of
June. The last three weeks in May in
which it was first effective netted
\$167,000.

TOURIST CAMPS ARE INSPECTED

Dr. McNally, District Health Official,
Completes Wide Survey

Close attention to water supplies
and sanitary conditions at summer
resorts, tourist camps, roadside inns
and refreshment stands is advocated
by Dr. T. J. McNally, provincial
health officer, who last week com-
pleted a Western Ontario survey. Dr.
McNally and his assistants have in-
vestigated such places in the counties
of Middlesex, Elgin, Kent, Essex,
Lambton and Oxford. They are re-
porting now to the provincial depart-
ment of health.

The survey has lasted several weeks
and has carried the health authorities
into practically every summering
place in Western Ontario. Dr. Mc-
Nally's territory includes six counties
though they have only co-operating
powers with the cities of Windsor
and London.

"We went about our work quietly,
but we were welcomed by people who
operate these camps and resorts,"
Dr. McNally stated.

"We made recommendations to
many of these people, and I think we
will receive co-operation."

"There appears to have been little
attention paid to sources of water
supply in some cases, and sanitary
conveniences were not of the best.
There are no thorough regulations
covering these things, but the object
of the survey was to establish the na-
ture of conditions and then report,
with a view to having measures put
through to govern the districts."

Dr. McNally is of the opinion that
most of the summering places will at-
tempt to improve conditions before
government measures are put into
force.

THE LATE MRS. ROSE

(Petrolia Advertiser-Topic)

After six years of suffering from
heart trouble, the last four months
of which was spent in bed, death
came to the relief of Mrs. Thomas
Rose last Wednesday. Deceased,
whose maiden name was Maggie
Saunders, was born in Kemptonville,
on December 24, 1858, and was in
her 67th year. The family afterward
moved to Lambton county, where
Mrs. Rose resided in Watford and
Forest before coming to Petrolia
twenty-two years ago. She was mar-
ried to Thos. Rose on November 8,
1881, and besides her sorrowing hus-
band, is survived by one daughter,
Mrs. J. C. Reid, of this town, one
brother, John Saunders, of Enniskil-
len, and four sisters, Mrs. Logan, of
Brigden; Mrs. Lucas, Watford; Mrs.
Mills, Sarnia, and Mrs. Alexander,
Yale, Mich. Through her many years
of illness, she displayed a Spartan
fortitude and endeared herself to
neighbors and friends throughout the
town and country, who regularly cal-
led on her. The funeral was held on
Friday to Hillsdale cemetery, the ac-
tive pallbearers being six nephews:
Jos. Mills and John Rose, Sarnia;
Robert Logan, Brigden, Robt. Saun-
ders, Oil City; Sterling Saunders and
Richard Williamson, Watford.

The condolences of the Hon. Dr.
Edwards, G. H. of B. A., and also of
Brother Loftis H. Reid, Grand Master
of the Black Knights of Ireland for
Canada, were conveyed to Mr. Rose
by Capt. W. C. Riddiford, Grand Or-
ganizer of Ontario West, who attend-
ed the funeral. Friends were present
from Woodstock, Toronto, Sarnia,
Windsor, Watford, Wyoming, Oil
Springs, Dawn and other places.

SARNIA PRESBYTERIAN PRESBYTERIAL

A meeting of much interest was
held in St. Andrew's Church, Sarnia,
Tuesday, June 23rd, when the officers
of the Sarnia Presbyterial, chosen at
the meeting in London on the 7th of
May, at the Provincial W. M. Society,
to carry on the work for the time,
met and arranged the full executive
of Presbyterial officers to carry on
the work of the Sarnia Presbyterial.

The meeting was full of great in-
terest as society after society reported
as having disbanded and reorgan-
ized again ready for work to the
number of 24 and some still to or-
ganize.

Following is a full list of the offi-
cers and their addresses:

Here and There

Conditions in the fruit areas of
British Columbia are reported as
satisfactory. Weather conditions
have been good and the trees are
healthy.

According to recent reports gen-
eral conditions in the Maritime
Provinces are normal. Potato seed-
ing is about complete. Trees in the
Annapolis fruit districts are in good
shape and estimates point to a nor-
mal crop.

A consignment of lumber from
South Westminster, B.C., arrived re-
cently at Dorval, Quebec, on the
Canadian Pacific lines, consisting of
twenty-nine logs of Douglas Fir
some of which were so long that
three flat-cars were required to
carry them.

Field Marshal Earl Haig and
Countess Haig travelled through
western Canada to the Pacific coast
over the Canadian Pacific Railway
recently, after attending the con-
ference of the British Empire Ser-
vice League at Ottawa.

"Western Canada has never had
better crop prospects than which
exist now," stated Ernest G. Cook,
of E. Cook, Ltd., Crop Insurance
Co., of Moose Jaw, Sask., who re-
cently spent two weeks at Banff,
after touring the West and study-
ing crop conditions.

According to "Agricultural and
Industrial Progress in Canada" the
Department of Trade and Commerce
has issued the following compara-
tive statement for 1924 and 1925
trade in the Dominion:—

Total	1924	1925
trade	\$1,902,130,164	\$1,878,294,180
Impts.	893,366,867	796,932,537
Expts.	1,058,763,297	1,081,361,643
Fav. Bal.	165,396,430	284,429,106

According to the Dominion Bu-
reau of Statistics the annual con-
sumption of standing timber for use,
amounts to about 2,600,000,000 cubic
feet. The loss by fire, insects and
fungi about doubles this depletion,
and it is estimated that Canadian
forests are depleted at the rate of
upwards of five and a half billion
cubic feet per annum.

For the first time in the history
of Canada upwards of three thou-
sand redskins from the four western
provinces and Montana journeyed to
McLeod, Alberta, early in July, and
held an all-Indian celebration and
formed a league of plains Indians.
Five thousand white people attended
the ceremony and watched the In-
dians stage their spectacular mount-
ed war-dance.

Deep gratification is felt in Cana-
dian Pacific Railway circles over
the receipt of the following cable-
gram sent to President E. W. Beatty
by His Royal Highness the Prince
of Wales:—"Upvuma, South Africa,
July 2nd.—Have just heard of Mr.
Howard's death. Please convey to
relatives my deepest sympathy.
(Signed) Edward P." The late Mr.
W. B. Howard was twice in charge
of the Prince of Wales' train when
His Royal Highness travelled over
Canadian Pacific lines.

For the second time in the his-
tory of the newspaper industry,
Canadian output has run ahead of
that of the United States. During
the month of May Canada produced
130,013 tons of newspaper, as com-
pared with 129,026 tons in the United
States. The cumulative production
of Canadian mills for the first five
months of the current year totals
622,235, which favorably compares
with a production of 632,034 in the
United States during the same
period.
