ALGOMA DIOCESE.

The first annual meeting of the Woman's Auxiliary for the Diocese of Algoma was held at Sault Ste Marie on Oct. 24th, opening with a hymn and prayer by the Incumbent. The attendance was very large—the minutes of the last meeting were read and adopted. The Secretary's report, as follows, was read and adopted:—

"Since the organization of our Society just a year ago, there have been held the regular monthly meetings, besides which there have been two special meetings. We have for our standard the printed rules and regulations of the Woman's Auxiliary to the Domestic and Foreign Missionary Society of the Church of England in Canada, which have been carried out as nearly as possible. Our membership at present numbers thirty three.

The first actual work done by the society, was clothing made for an old and needy parishioner to the amount of \$3.15. Also a surplice was made for Korah Church. The next was that carried on by a number of our members during Lent, toward an apron sale which was held in Easter The proceeds of the sale, all expenses having been paid, amounted to \$153.27. Of this amount \$135 is now on deposit; \$12 was sent to the Nepigon Mission and the remainder kept in the treasury. At the present time we have in the treasury \$31.42; outstanding dues, \$6.65, making a sum total of \$163.07. The sum of twenty dollars was voted at our last meeting for the benefit of some foreign mission, as yet undecided. I may add that our work as a society has been entirely new to all our members, with one or two exceptions, and anything that has been left undone in the past year has not been from any want of willingness on our part, but from a lack of knowledge and experience in our work. Financially, the so-
