HARDINESS

is more to be desired than great growth in purchasing Nursery Stock.

¶ Our Northern Grown Stock possesses **both qualities** and is **true to name** and is **free from scale or fungus**. We employ only experienced men and the greatest care is taken in growing, digging and packing.

¶ We raise our own stock in our own nurseries at Point Claire, Que., (14 miles from Montreal). There's a reason for the hardiness of our goods. Let us prove it to you.
