CHINESE WORK.

In view of the time having arrived for Miss Leake to take her furlough, the executive has appointed Mrs. Morrow in charge for the year of the Home in Victoria, B.C. Being in the city, no expense of travel was incurred; already she has won a place in the hearts of the girls. Faithful, earnest, patient work has been done in this Home, and we bespeak the prayers of our membership that the divine blessing may be continued. All will be pleased to
