THE WISE MERCHANT GIVES EAR

To any practical suggestion that'll help him to make money by avoiding losses.

We're the friend of the retail dry goods merchant. The pit-falls of dead stock are removed wherever a knowledge of our methods are known.

We are dyers and cleaners, redyeing and refinishing new goods for dry goods merchants. Out-of-date patterns, sun-faded and soiled goods, goods of colors that fail to catch the popular fancy are made fashionable and salable.
