TWO PRINTERS.—E. WHITE & WM. HAGER

respectfully inform the Printers of the U. States,
to whom they have long been individually known as
established letter founders, that they have now form-
ed a co-partnership in said business, and from their
united skill and extensive experience, they hope to
give satisfaction to all who may favour them with
their orders.

The introduction of machinery in place of the tedious
and unhealthy process of casting type by hand,
a desideratum by the European founders, was by American
ingenuity and a heavy expenditure of time and
money on the part of our senior partner, first success-
fully accomplished. Extensive use of the machine
cast letter has fully tested and established its superi-
ority in every particular over those cast by the old
process.

The Letter Foundry business will hereafter be car-
ried on by the parties before named, under the firm of
White, Hager & Co. Their specimen exhibits a com-
plete series, from Diamond to sixty four lines Pica.
The book and new type being in the most modern
light and style.

White, Hager & Co. are agents for the sale of the
Smith and Rust printing presses, which they can fur-
nish their customers at manufacturer's prices. Chas-
es, cases, composing sticks, Ink, and every article
used in the printing business, kept for sale and fur-
nished on short notice. Old Type taken in exchange
for new, at nine cents per pound.

N. B Newspaper proprietors who will give the
above three insertions, will be entitled to \$5 in such
articles as they may select from our specimens.
