

being arranged, and the eleven, under the able management of our veteran Cricketer, and champion bowler, will no doubt give a satisfactory account of itself at the end of the season.

The Musical and Dramatic entertainment given in the Dining Hall on March 1st, was a pronounced success. The programme consisted of the two farces 'Bamboozling' and 'Bombastes Furioso'; Cheruses by the Society, songs and piano solos by different amateurs. The acting in both the pieces was very creditable. Mr. C. A. Bogert, as 'Emily', in 'Bamboozling'; and Mr. Montizambert, as 'King Artex-omnos', in 'Bombastes', being especially good, and gaining well earned applause. The stage presented a very pretty appearance, being tastefully draped with curtains and flags with an arbor of flowers at the back.

The Dining Hall makes a remarkably good auditorium, equalling many of our public Halls, the only really bad effect being the obstruction in some cases of one's view by the 'eight massive pillars' which support the handsomely decorated ceiling.

After the performance invitations for an impromptu dance were given to a number present; the room was speedily cleared, and a goodly number of the disciples of Terpsichore, nothing daunted by the lateness of the hour and the fatigue resultant from a somewhat long performance, joined in the enjoyable amusement of 'chasing the glowing hours with flying feet'; on the whole, the evening proved a most enjoyable one, and the managing committee are to be highly complimented upon their successful efforts.

Port Hope, March 1881.

CRICKET.

REVIEW OF THE SEASON.

BY A GRADUATE.

The season of 1880 can scarcely, on the whole, be considered to have been so successful as the preceding one. Creditable victories were gained over Whitby and Toronto—two of the strongest clubs in the Province—but, on most occasions, the elevens were so lamentably weak that anything beyond a creditable "draw" could hardly have been looked for; nor was that always obtained. Still the batting averages are by no means bad, as compared with those of other Canadian clubs; and had greater zeal been exhibited by individual members to present strong elevens in the important matches, the result might have been more satisfactory. Where so less than twenty-two men take part in only eight games, there must always be a want of that unity of action, and thorough mutual understanding, which is the main strength of a really good team. Two of the three games actually lost were confined to the Undergraduates; and the experience of this as of past years goes to show that the strength of the College is insufficient to produce satisfactory elevens for such matches. The score-books having been lost care should be taken to prevent the repetition of this accident; the analysis of the bowling cannot be obtained; and this review, compiled from newspaper reports and a few private memoranda, is necessarily incomplete in other particulars. Following is a brief summary of each match:—

Port Hope, May 15.	1st Inns.	2d Inns.	Total.
Trinity College	35	33	88
Trinity College School	68	22	90

The School won by 6 wickets.

Jones for the winners scored 14 and 2, Hugel 12 (n. o.), Hagne 7 and 7 (n. o.). The honors of the bowling were shared by Roberts and Jones. Both these gentlemen will this year be welcome additions to the strength of the College. On the losing side, D. M. Howard obtained 13 and 2, J. S. Howard 0 and 11, while H. C. Cox delighted the spectators with a brilliant display of cricket in the completion of his 6 and 10, the top score. The majority of the wickets fell to Caldwell and Moore.

Hamilton, May 22.	1st Inns.	2d Inns.	Total.
Hamilton	234	..	234
Trinity College	30	23	53

Hamilton won in an innings by 181 runs.

The University eleven was outrageously weak for so important a match, and encountered an overwhelming defeat. The leading feature on the side of the home club was a brilliant innings of 124 by the late Mr. H. Simonds, remarkable for tremendous batting. Dr. Woolverton also scored 34 in his usual iron-clad fashion, and Kennedy made some fine cuts in his (not out) 37. The last named heads the bowling with 9 wickets at a cost of 22 runs. Ferrie having 7 for 16, Rogers 2 for 7. Ferrie, in the second innings, delivered 51 balls for 5 runs and 4 wickets. On the part of Trinity no one reached double figures. D. M. Howard took 6 wickets for 83 runs, Irving 3 for 34.

Trinity College, May 24.	1st Inns.	2d Inns.	Total.
Toronto	86	86	172
Trinity College	32	50+	82
Drawn.	+ 5 wickets to fall.		

Totten (31 and 12), E. R. Ogden (5 and 38), and Pearson (36 and 2), were the chief scorers for Toronto. Nine Trinity men in their first innings gave up, the ghost with charming simplicity to Totten's alluring 'slows'; not one was bowled, the tenth man being run out. In the second attempt the 5 wickets which fell were claimed by Ogden; but when stumps were drawn he had been knocked off and there was every prospect of a good stand being made. Irving, for Trinity, got 8 and 12, H. J. Campbell 2 (n. o.) and 12 (n. o.), A. F. Campbell 2 and 9 (n. o.). A. Allen took 5 wickets for 50 runs, D. Howard 7 for 50, Irving 3 for 14.

Trinity College, May 26.	1st Inns.	2d Inns.	Total.
University College	94	..	94
Trinity College	61+	..	61
Drawn.	+ for 6 wickets.		

An afternoon match, limited to Undergraduates. For the visitors R. R. Boulton scored 49, G. C. Lindsay 10. Boulton's innings being exhibition of good, sound cricket. Caldwell's 22 and D. M. Howard's 13 were the principal figures for Trinity.

Newmarket, May 28.	1st Inns.	2d Inns.	Total.
Trinity College	102	65+	167
All North	211	..	211
Drawn.	+ 7 wickets to fall.		

With two men who had never played a match before, two others of very slight experience, and their best bowler absent, the prospects of Trinity appeared gloomy in the extreme. However, in spite of the long innings of their opponents they managed to end up with 7 wickets in hand, and only 44 runs in arrears. H. J. Campbell headed the account with 22 and 35 (n. o.), A. F. Campbell played an excellent innings of 41 the did not go in the second time, and Caldwell scored 1 and 12. Long took 6 wickets for the north, but their best bowling was that of McCormack and Dudley in the unfinished second innings. Their principal scorers were Long (81), Jas. Baddy (56), Newett (18), and Atkinson (11). Baddy played an excellent innings, but Long was favoured with a little luck. H. J. Campbell, took 4 wickets for 46 runs, Allen 3 for 61.

Trinity College, May 29	1st Inns.	2d Inns.	Total.
Whitby	33	66	119
Trinity College	57	34	121
Trinity won by 7 wickets.			

Whitby, going first to the bat, fell before D. Howard (6 wickets for 23), and Spragge (4 wickets for 4) for a comparatively insignificant total. A. Laing scoring 18, Ray 11, Trounlell 12. The chief contributors in the first essay of the University were Irving (26), Caldwell (17), and D. M. Howard (11). Ray took 5 wickets, Trounlell 4, A. Laing, 1. The second attempt of Whitby resulted a little better, but J. R. Laing's 13 and Garratt's 10 were the only double figures. H. J. Campbell had 3 wickets for 14 runs, Spragge 2 for 12, Irving 1 for 10, D. M. Howard, 2 for 24. Of the three wickets lost in knocking off the required 34 runs, two fell to A. Laing, and one to Ray. Irving again played well, carrying out his bat for an excellent 19.

University College, June 8.	1st Inns.	2d Inns.	Total.
Trinity College	31	47	78
University College	48	37	85
University College won by 6 wickets.
