## Scientific and Useful.

FEATHER CAKE.—One cup sugar, half-cup butter, half-cup milk, one teaspoonful cream of tartar, half teaspoonful soda or one and a half teaspoonful baking powder.

Figures Cannot Lie.

This has been said by a great many, and believed to be truth. But we are sometimes a little sceptical when distance of some remote planet is given, but never in the least doubt when FOLLIER'S 467-471 Queen Street, West, say they have the largest and best stock of Furniture and Carpets in the city.

FRENCH VANILLA CREAM CANDY.—To any number of the whites of eggs add the same bulk of cold water, beat in a sectioner's sugar until stiff enough to mould into shapes with wetted fingers. Flavour with vanilla. Shape as you please and lay on plates, with waxed paper, if possible.

STARTLING YET TRUE.—In the midst of the great political battle now raging so fiercely throughout our fair Dominion, it is certainly a startling fact that no amount of politics to the square foot will prevent the suffering caused by general debility or nervous and blood diseases, now so common among us. It is true though that these ailments and many others, especially those common to the female sex, can be cured by the use of a new and cheap device just introduced into Canada by the Oriental Medicated Electric Belt Company. This consists of an electric belt, so simple in its construction, that it can be worn at all times without the slightest inconvenience, and so cheap that it is brought within the reach of all. The company's headquarters are at No 3 King Street West, Toronto, where they invite inspection of their electrical appliances, and give the best of references.

FILLING FOR CAKE.—A good filling for a plain layer cake, which is to be eaten while fresh, is made by grating one large tart apple, one lemon grated and the juice squeezed out, one egg and one cup of sugar; let this boil for five minutes, stir it constantly.

WEARY WASHERWOMEN have been made glad by the introduction of James Pyle's Pearl me, a peerless compound for the laundry. It cleanses the most delicate fabrics without injury. Sold by grocers.

JELLY ROLLS.—Four eggs beaten lightly, one cup sugar, one cup flour, one teaspoonful cream of tartar, one half teaspoonful soda dissolved in a dessert-spoonful boiling water; bake in a large meat pan; when done take out on napkin powdered with sugar, spread with raspberry jam and roll up lengthwise.

B.B.B.—ONE OF MANY.—B.B.B.—Mrs. Agnes Black, of Orton, Ont., says, "For five years I have been a sufferer from dyspepsia and indigestion. I tried one bottle of Burdock Blood Bitters, and was getting better; I then bought three more, and it has cured me."

FRENCH PANCAKES.—Put two ounces of butter into half a tumblerful of milk. Set it near the fire until the butter is dissolved; then add it gradually to four ounces of flour and two ounces of white sugar. Take care that it is quite smooth; then beat in three eggs, two tablespoonfuls of cold milk, and half a teaspoonful of vanilla essence. Pour the mixture into shallow tin plates, butter, and bake at once in a sharp oven to a delicate brown. Spread each lightly with raspberry or red currant jam; roll up, and serve at once.

REMARKABLE.—There have been many remarkable cures of deafness reported from the use of Yellow Oil. The proprietors of this medicine have a large number of such testimonials. It is the great household remedy for pain, inflammation, lameness, and soreness of every description, and can be used internally and externally.

ENGLISH BREAKFAST CAKE.—One pint of sifted flour, one cup of sweet milk, or thin cream, and one egg. If milk is used, add to it a tablespoonful of melted lard. While the flour is dry, mix it with half a tablespoonful of salt, one heaping teaspoonful of good cream of tartar, and half a teaspoonful of soda. Sift the flour again, after these are added, so that no particles of soda may be found in the cake. Add a well-beaten egg to the milk, or cream, and gradually wet the flour with it. Bake in one pan.

For Children Starving to Death,

On account of their inability to digest ordinary food, Scott's Emulsion can be digested, and give strength and flesh when all other food fails. See what Dr. A. H. Peck, Penn. Med. College, Attleboro, says: "I have used and prescribed Scott's Emulsion of Cod Liver Oil, and find it an excellent preparation, agreeing well with the stomach, and its continued use adding greatly to the strength and comfort of the patient." Put up in 30c. and \$1 size.
