### CEYLON TEA COMPANY

WHAT  
"THE TIMES" OF CEYLON  
*22/2* Says of this Company, May 4th, 1889.

"We are asked by a Correspondent, 'Which Company, for the sale of Ceylon Tea at home, does the largest business?' and we really do not think that anybody can answer this question. In all probability, the Ceylon Tea Growers, Limited (Khangani Brand) sell more Tea than most, seeing that they have no less than one thousand Agents in Great Britain alone, and, in the course of twelve months, must sell a very large quantity of Tea."

This is indisputable evidence that this Company is a GENUINE CEYLON TEA COMPANY.

### Sparkles.

THIS is a wonderful country, as may be noticed in the late reduction in sugar. It is low and at the same time refined. — Philadelphia Times.

WHAT'S THE REASON? — The causes of summer complaint, diarrhoea, dysentery, cholera morbus, etc., are the excessive heat, eating green fruit, over-exertion, impure water and sudden chill. Dr. Fowler's Wild Strawberry is an infallible and prompt cure for all bowel complaints from whatever cause.

THE polite reporter wrote that "Miss Chromatic rendered several piano pieces," but the printer set up that she "rended the piano to pieces."

MINING experts note that cholera never attacks the bowels of the earth, but humanity in general find it necessary to use Dr. Fowler's Extract of Wild Strawberry for bowel complaints, dysentery, diarrhoea, etc. It is a sure cure.

"You can't be too car-full," said the superintendent to the car-driver. FOR A DISORDERED LIVER try BEECHAM'S PILLS.

FOND PAPA: "I've brought you home an English pug, my dear." Enraptured Daughter: "Oh, you dear, good Papa; it's just like you."

IMPERIAL FEDERATION. — Will present an opportunity to extend the fame of Dr. Fowler's Extract of Wild Strawberry the unfailing remedy for cholera, cholera morbus, colic, cramps, diarrhoea, dysentery, and all summer complaints, to every part of the Empire. Wild Strawberry never fails.

CUSTOMER (to overworked clerk at crowded soda fountain): "You have no sinecure." Clerk: "No, sir, we have just run out of that flavour."

HEALTH, HAPPINESS AND PROSPERITY. — All these depend on pure blood, for without it health is impossible, and without health happiness is impossible, and without happiness prosperity is a mockery. No means of obtaining pure blood and removing bad blood, excels the use of B.B.B., the best blood purifier known.

THE Duke of Fife is such an extreme dude that he insists on being measured for his neckties. Fife, for shame!

DEAN GRAY, JR., of Westfield, Mass., had a severe and distressing cough, followed by emaciation and night sweats. Many remedies were tried without avail, and his friends seriously doubted his recovery. He was completely cured by the use of two bottles of Wistar's Balsam of Wild Cherry.

WAITER (to scientific man): "What's your order, sir?" Scientific Man (abstractedly): "Eh — er — mammalia, of course."

A NATIONALIST PLAN. — A proposal, which would obtain favour with even the opponents of Nationalism, contemplates the placing of a supply sufficient for each family of nature's great dyspepsia specific and blood purifier, B.B.B., in every home in the land. The benefits of such a boon to the people would be incalculable.

THE primrose according to the poets is a quiet flower. According to the facts it is a pronounced yellor.

TWO of a trade can never agree. Workmen can't even roll barrels of flour without a little falling out. — Puck.

THE Grand Trunk system differs from the human system in that the same troubles do not effect it and the same remedies are not needed. For all diseases of the human system there is no tonic purifier, renovator and strengthener as good as Burdock Blood Bitters. A weak system can be built up by B.B.B.

"An old coloured preacher was asked how his church was getting on, and his answer was: 'Mighty poor, mighty poor, brudder.' 'What is the trouble?' and he replied: 'De 'cieties' 'cieties. Dey is jist drawin' all de fatness and marrow out'en de body an' bones ob de blessed Lord's boy. We can't do nuffin, widout de 'ciety. Dar is de Lincum Ciety, wid Sister Jones and brudder Brown to run it; Sister Williams mus' march in front ob de Daughters of Rebecca. Den dare is de Dorcasses, de Marthas, de Daughters of Ham, and de Librarian Ladies. 'Well, you have the brethren to help in the church,' we suggested. 'No, sah, der am de Masons, de Odd Fellers, de Sons of Ham, and de Oklahoma Promised Land Pilgrims. Why, brudder, by de time de brudders and sisters pays all de dues, an' tends all de meetings' dere is nuffin' left for Mount Pisgah. Church but jist de cob; de corn has all been shelled off, an' frowed to dese speckled chickens."
