

WORTHY OF CONSIDERATION

New Books for the S. S. Library

We desire to draw the attention of SUPERINTENDENTS, LIBRARIANS and TEACHERS, to the subjoined list of books suitable for the Sunday School Library. Have you given proper consideration to the advisability of procuring the best books as they come from the press? Brighten up the Library with the new books as they are published, and you will be surprised to see the interest awakened in the scholars. Instead of indifference on the part of the scholars, the inclination will be quickened, and a revival of interest in the Library will stimulate the life of the School. **Our prices are low, and terms the best.** Put yourself in communication with us on the subject, and we will be pleased to give you all the information at our disposal.
