

In Action

NO chance for an argument then. It's up to the tools to demonstrate whether or not the man who sold them to you is gifted with a large and entertaining imagination, or the tools are capable of doing just what he claimed for them. This is when our guarantee looms up to good advantage. Just remember, that every Little Giant or Boyer Pneumatic Tool or Franklin Air Compressor is guaranteed to do exactly what we say they will do.

Our catalogs are free and cost but one cent, the price of a postal card.
