Bolton's Village.—Your correspondent, with Brethren Denny, and Sanderson, visited this place on the 16th inst. and found Bro. Wheeler heartier in appearance than we have seen him for years. The congregation in the evening was not quite equal to some former years, yet we had a good meeting—Collections received, \$10 00.

Alton Village.—On Monday January 20th, in company with Bro. Gray, we found ourselves in Bro. Denny's diocese. Everything appeared healthy, and flourishing. Congregation in the evening good. The deputation was assisted by Rev. T. Edwards, Wesleyan, and by Dr. Riddell, who was called to the chair. It was said by many to have been the best meeting they ever had. The speaking was to the point, and eminently practical. Collection and subscriptions \$26: 45, being an increase upon last year.

South Caledon, next day was visited by Bro. Denny and myself, Bro. Gray having gone home. This station is still without supply, but they most tenuciously cling together in hope. They are gettting very anxious for supply.

There were about 50 present at the meeting, and the collection was \$16. 37,

there being only three coppers on the plate!

Georgetown, Wednesday, Jan. 22nd. The interest in the cause, always gratifying, still increases. Hurdly a vacant seat in the house. Subscriptions taken up before the meeting, one dollar more than the whole amount last year. The pastor Rev. J. Unsworth, was in the chair; deputation present, Rev. Mesra. Wheeler, Denny and Marling. Rev. Mr. Ewing, of the Canada Presbyterian Church, also gave an address, and Rev. Mr. Webb, of St. George's Church (Episcopal), spoke a few hearty words. The collection was over \$12, so that Georgetown casts into the treasury for 1868 more than \$82. The Pastor, under whose ministry such results are attained, is fully placed in the honorable retonerous post of District-Secretary.

From the Markham circuit, Whitby and Bowmanville, we cannot now give detailed accounts. The first, we learn, will contribute nearly as much as last year; the last more; the second has yet to collect.

On Securing Interest of Church Menbers in Sunday Schools.—Mr. Parders says on this topic; Not by fault-finding; not by bombarding and sharp-shooting nor by any system of driving, but, by becoming thoroughly interested in their persons ourselves. We should go to them, and by arguments of love, tell what had been done and might be done in this work. One man in a school thus the roughly alive to the work himself would interest the whole church. We should too, counsel the pastor and the leading men of the church, enlisting them more thoroughly. We must counsel and enlist the young men and women, and the mothers personally. Then the best man must be selected, and sent to talk with and strive to influence the young men—one whom they respect, and one who can sympathize with them.
