EXCITEMENT UNABATED.

FROM THAT THAT PHYSICIAN'S TERRIBLE CONFESSION IS TRUE. (Cleveland, O., Herald.)

YESTERDAY and the day before we copied into our columns from the Rochester N. Y. Democrat and Chronicle, a remarkable statement, made by J. B. Henlon, M. D., a gentleman who is well known in this city. In that article Dr. Henlon recounted a wonderful experience which befell him, and the next day we published from the same paper a second article, giving an account of the excitement in all quarters, and elsewhere, caused by Dr. Henlon's statement. It is doubtful if any two articles were ever published which caused greater excitement among professional and laymen.

ON the publication of these two articles, having been deluged with letters of inquiry, we sent a communication to Dr. Henlon and also to H. H. Warner & Co., asking if any additional proof could be given, and here it is.

GENTLEMEN: I owe my life and present health wholly to the power of Warner's Safe Cure, which snatched me from the very brink of the grave. It is not surprising that people should question the statement I made (which is true in every respect) for my recovery was as great a marvel to myself, as to my physicians, and friends.

J. B. HENLON, M.D.

ROCHESTER, N. Y., Jan. 21.

SIR: The best proof we can give you that the statement made by Dr. Henlon are entirely true, and would not have been published unless strictly so, is the following testimonial from the best citizen of Rochester, and a card published by Rev. Dr. Foote, H. H. WARNER & CO.

To Whom it May Concern

We are personally or by reputation acquainted with Dr. Henlon, and we believe he would publish no statement not literally true. We are also personally or by reputation well acquainted with H. H. Warner & Co., proprietors of Warner's Safe Cure, (by which Dr. Henlon says he was cured) whose commercial and personal standing in this community are of the highest order, and we believe that they would not publish any statements which were not literally and strictly true in every particular.

C. R. PARSONS, (Mayor of Rochester.)
WM. PURCELL, (Editor Union and Advertiser.)
W. D. SHUART, (ex-Surrogate Monroe County.)
EDWARD A. FROST, (ex-Clerk Monroe County.)
E. B. FENNER, (ex-District Attorney Monroe County.)
J. M. DAVY, (ex-Member Congress, Rochester.)
JOHN S. MORGAN, (County Judge, Monroe County.)
HIRAM SIBLEY, (Capitalist and Seedman.)
JOHN VAN VOORHIS, (ex-Member of Congress.)

To the Editor of the Living Church, Chicago, Ill.:

There was published in the Rochester (N. Y.) Democrat and Chronicle of the 31st of December, a statement made by J. B. Henlon, M. D., narrating how he had been cured of Bright's disease of the kidneys, almost in its last stages, by the use of Warner's Safe Cure. I was referred to in that statement as having recommended and urged Dr. Henlon to try the remedy, which he did, and was cured. The statement of Dr. Henlon is true, so far as it concerns myself, and I believe it to be true in all other respects. He was a parishioner of mine and I visited him in his sickness. I urged him to take the medicine and would do the same again to any one who was troubled with a disease of the kidneys and liver.

ISRAEL FOOTE, (D. D.), (Late) Rector of St. Paul's Episcopal Church, Rochester, N. Y. It seems impossible to doubt further in the face of such conclusive proof.

QUERY. Why is Pure Gold Baking Powder growing so rapidly in public favor? ANSWER.

1st. Because the Pure Gold Manufacturing Company say nothing about it that they cannot prove to be true. 2nd. Because ladies in all parts of Canada who are using "Pure Gold" are so enthusiastic about it that they cannot help telling their friends and acquaintances about what has been such a benefit to themselves. 3rd. Because as well as being better, it is cheaper than any other good Cream Tartar Powder in the market. Always ask for Pure Gold Baking Powder in Packages or cans, as you are then sure you get what you ask for. When you buy in bulk you are not always sure to get it.
