

THE SASKATCHEWAN Buffalo Robes and Coats.

These goods were exhibited at the World's Fair, where they received a Medal and Diploma of honorable mention. Patented in Canada and the United States, where manufactories have been erected in Galt and Buffalo. The Robes are as strong as any leather; handsome, soft and pliable; impervious to wind, water and moths; easily dried after being wet, and are without the effluvia arising from the old Buffalo Robes. Our Overcoats are the same, and are made either in regular Buffalo or Black Astrachan.

LAKEHURST SANITARIUM, OAKVILLE, ONT.

THE attention of the Medical Profession is respectfully drawn to the uniform success attending the treatment of Alcoholism and Morphine Addiction at Oakville. A prominent medical man in Toronto has, within the last few weeks, paid a glowing tribute to its efficacy in the case of one of his patients who had long since lost susceptibility to the ordinary form of treatment employed and whose life seemed to hang in the balance. Many come to Oakville in the last stages of the malady, yet of these but two cases in four years have proved to be beyond reach of our treatment—a record well deserving thoughtful consideration of the Profession.
