## BRIDGE NOTICE

Sealed Tenders, marked "Tender for Superstructure of Andover Bridge," will be received at the Department of Public Works, Fredericton, until

Monday, 30th day of September,  
1901, at noon,

For building the Steel Superstructure of "Andover Highway Bridge," across the St. John River connecting the Villages of Andover and Perth, Victoria County, N.B., according to Plans and Specifications to be seen at the Public Works Department, Fredericton, N.B. The structure consists of five through pin connected truss spans, each 138 ft. in length from centre to centre of end pins. For detail information relating to plans and specifications apply to A. R. Wetmore, provincial engineer, Fredericton, N.B. Each tender must be accompanied by a certified bank cheque or cash, for an amount equal to five per cent. of the tender (would prefer not receiving P.O. orders), which will be forfeited if the party tendering declines to enter into contract when called upon. Should the tender be not accepted the deposit will be returned. Two good sureties must be named in each tender. Not obliged to accept lowest or any tender.

C. H. LABILLO S,  
Chief Commissioner.
