MARAVILLA COCOA.

OPINIONS OF THE PRESS.
“Those who have not yet tried Maravilla will do well to do so.”
—Morning Post. “It may justly be called the PERFECTOR OF PREPARED COCOA.”—British Medical Journal.

MARAVILLA COCOA.

The Globe says: “TAYLOR BROTHERS' MARAVILLA COCOA has achieved a thorough success, and superseded every other Cocoa in the market. Entire solubility, a delicate aroma, and a rare concentration of the parent elements of nutrition, distinguish the Maravilla Cocoa above all others. For Invalids and Dyspeptics, we could not recommend a more agreeable or valuable beverage.”

CERTIFICATE FROM MR. ALFRED

KNUCKLE, American House, St. Joseph Street:—
MONTREAL, March 7th, 1872.

DEAR SIR.—I was afflicted during the beginning of this winter with a most severe COLD, attended with incessant COUGHING and DIFFICULTY OF BREATHING, which reduced me so low that many persons supposed I could never recover. I tried a great many things, which were given me both by my doctors and friends; but did not receive any benefit from anything until I commenced using your “HOUND AND CHERRY BALSAM,” which seemed to give me relief immediately. I continued using it until I was completely cured, and now I believe I am as well as I ever was in my life. I would gladly recommend it to any person suffering from a similar complaint. Almost anybody who knows me can certify to the above. ALFRED KNUCKLE.

THE BECKWITH SEWING MACHINE \$10.

Read what an honest Quaker says: WESTCHESTER, Pa., 7th month, 10th, 1872.

RESPECTED FRIEND: We value the little Ten-Dollar Sewing Machine highly. Notwithstanding my wife is a very delicate woman, she has recently, without apparent fatigue, made for me by its aid a whole suit of French habit cloth; also another light summer coat, besides many other garments. Her physician forbids a treadle machine being brought into the house. We esteem the Beckwith Sewing Machine as a great boon, and if we could not procure another we would not know what pecuniary value to attach to it.

I can cheerfully and confidently recommend its use to those who are wanting such a machine. With a little care and patience in the beginning, it will do all that is promised for it.

Respectfully thy friend,
Wm. P. TOWNSEND.

Sent to any address on receipt of \$10.

“Earl Russell communicated to the College of Physicians that he received a dispatch from Her Majesty's Consul at Manilla, to the effect that Cholera has been raging fearfully, and that the ONLY remedy of any service was CHLORODYNE.”—See *Lancet*, 1st December, 1864.
